CHAMINADE

425 B LINDBERGH BVD
OF LOUISIANA

OFFICE OF THE SPOKESMAN

May 1, 1941

My dear graduates:

Your graduation year has been a year of many triumphs and
 setbacks. It has been a year of many achievements and
 disappointments. It has been a year of many successes and
 failures. It has been a year of many joys and sorrows.
 You have graduated as the culmination of a victorious year.

Graduation is a great achievement. It is a reward for a
 long and arduous journey. It is a sign of a person's
 determination and accomplishment. For five years, you
 have striven to reach a goal. That goal is the mastery of knowledge by your own
 hands. Esto Ver. Every man must strive to this end. Let each one
 do so in a somewhat distinctive manner.

Your distinguished traits might be added to many. You have been
 a diligent student, a diligent worker, a diligent citizen. You
 have been an example of a good citizen. Your example is a foundation
 for the future. Your example is a foundation for the future.
 Your example is a foundation for the future. Your example is a foundation
 for the future. Your example is a foundation for the future.

America today is a land of many needs. The Congress of
 Man is a desperate need for a nation of Man, whose efforts will
 radiate from the center of the world. He is your model in
 following your motto. Esto Ver.

As alumni of Chaminade, then, you will achieve your best by
 carrying all things to their end. May your efforts be rewarded fully with
 your Father's business.

MARY KEET YOUR SPOKESMAN,
Louis Blume, Sr.
 V. Rev. Louis Blume, S.M.

SENIORS

CHAMINADE COLLEGE

CLAYTON, MISSOURI

CHAMINADE COLLEGE

FRIDAY, OCTOBER 2, 1959

Number 1

NEW FACULTY MEMBERS

Seated: Bro. Vincent Wayer, S.M.; Bro. James Feltz, S.M.; Bro. Leo Robert, S.M.; Bro. Louis Ernst, S.M.; Bro. Roy Murgula, S.M. Standing: Bro. Bernard Schrautemeier, S.M.; Bro. William Schneider, S.M.; Bro. Urban Naal, S.M.; Bro. Norbert Karpfinger, S.M.; Bro. David Fleming, S.M.; Bro. Donald Greazel, S.M.; Bro. Edmund Schlermeier, S.M.; Rev. Richard O'Shaughnessy, S.M.

Many new faces among the faculty greeted returning Chaminade students this year. A total of thirteen brothers are newly stationed at Chaminade, most of whom will be teaching in the grade and high schools.

Chaminade's chaplain for 1959-60 is Rev. Richard O'Shaughnessy, S.M. Father also teaches senior religion and sophomore English.

The new fifth grade teacher is Brother James Feltz, S.M. Brother Vincent Wayer, S.M., has taken over the sixth grade, and Brother Louis Ernst, S.M., the seventh. Eighth grade teachers are Brothers Leo Robert, S.M., and Roy Murgula, S.M.

Joining the high school staff are Brother David Fleming, S.M., freshman English and Latin; Brother Donald Greazel, S.M., bookstore and bookkeeping; Brother Urban Naal, S.M., Ancient History and guidance department head; Brother William Schneider, S.M., freshman Latin and ancient history; Brother Fleming is in charge of class IA, and Brother Naal, of IIB. Brother Edmund Schlermeier, S.M., is occupied with maintenance

Cardinal Revised

The Cardinal and White would like to congratulate the Cardinal Staff on the fine book that it turned out last year. This year with Brother W. Nance, S.M., as moderator, editor Mike McCarthy and assistant editor Gary Lombardo plan for an even better book.

This year there will be a new cover and completely different page layouts. The staff feels a radical change is what will make the yearbook a greater success. And to insure Chaminade with a good book, the staff has been taking different ideas from yearbook clinics. The junior editors this year are Bill Bland and Larry Fikes who will be next year's senior editors.

However, with all the apparent success, the staff is in dire need of recruits and is putting a special call out for them this year.

Two Marianists residing at Chaminade while attending graduate school in St. Louis are Brother Norbert Karpfinger, S.M., and Brother Bernard Schrautemeier, S.M.

Wander Reports On Boys' State

Chaminade Student Statesman for Day

This summer, from June 13 to June 19, I had the honor to attend the Missouri Boys' State, which was held on the campus of Central Missouri State College.

Perhaps you are wondering just what Boys' State is. Well, it's a program set up by the American Legion for the purpose of instructing the youth of America in the operations of our government. This "mythical state" (of Missouri in my case) is run entirely by young men going into their senior year of high school. A whole state government, all the way from ward committeemen to governor, is set up on the basis of the Constitution of Missouri.

Upon arrival at Boys' State, I wondered how they were going to register and assign 650 boys to the 10 cities in this "mythical state." But, to my surprise, we were rushed through orientation with such speed and clockwork that we were finished within a short 5 to 6 hours.

I was assigned to the city of Clark, which later became athletic champion of Barton County, and was also honored with the Model City award. This award is given each year to the best city in Boys' State.

One remarkable fact about Boys' State was the way that 650 boys, most of them strangers to each other, could form a complete state government within one short week and with very few difficulties.

SCHOOL SPIRIT!

About this time of the year it is a common thing to observe various articles on school spirit. But school spirit isn't so common. You may ask, "What is school spirit?" School spirit is you. It is, first of all, studying hard and trying to accomplish everything which you are capable of doing in your studies. It is working hard and pulling with your fellow students. It is being for the school and proud of its name.

To others, school spirit is something more. To them, besides these other things, it is supporting the school team in various fields of athletics. It is having a good turnout for the games and cheering the team on to victory.

Take, for instance, the spirit shown at the first football game of the 1959 season. The turnout of students was fair, but not what it could have been. This shows that some of the students have not grasped the spirit yet. Also, those that were there were not acting up to par. School spirit at a game is not having the students standing up and down the track not cheering. It isn't letting girls and parents who don't even attend the school sit in the bleachers and cheer. Sure, everybody wants a winning team, but how can it be expected if the students don't back the team? Remember, this is your team and you are characterizing the spirit of the school by your behavior; so at the next opportunity let's show the team and the school that we are behind them and that we, the students of Chaminade, have true all-around school spirit.

Diary of Ann Frank

The English Department urges that all Chaminade students attend the movie, "Diary of Ann Frank." The story is true, about a young girl, her family and the hidden life they led in an attic during the second World War. This is a shockingly human drama and will provide an evening of enjoyment for all.

Alumni Sodality Formed

During the month of August a letter was sent to the alumni of the past four years inviting them to attend the first meeting of Chaminade's newly organized alumni sodality. Thirty-five responded favorably, and twenty-four were in actual attendance at the first meeting on September 1, 1959.

The meeting was conducted by Father Richard O'Shaughnessy Bro. Frank Klapp, and Bro. Eugene Meyer.

There is a need for a transition phase in Sodality work in order to achieve the ultimate purpose which is an adult sodality group.

Further discussions centered around the organizational procedures. The group decided to meet four times a year, namely—Christmas, Easter, and twice during the summer. The meeting concluded with Benediction.

This Sodality will not only continue the leadership begun at Chaminade, but it will also provide the opportunity for senior sodalists to remain in this way of life to which they have dedicated themselves.

Everyone here at school is watching with a prayerful eye the Alumni's Sodality.

Roads Improved

Heading the list of welcome improvements about school this year, is the asphalt topping covering the driveway. This topping has been sprayed with a special plastic base paint, which is designed to protect the asphalt from gas and oil leaking from parked cars. This new paint not only beautifies Chaminade's campus, but also reflects the heat, causing the workshops under the parking area on the west side of the building to be as much as twelve degrees cooler during the summer.

Near the close of the last school year an intercom system was installed in the school. This intercom unit will be very useful to the principal's office in conveying information to each separate classroom.

THREE STUDENTS JOIN RELIGIOUS

During the summer two undergraduates and a graduate of Chaminade entered religious orders.

Jack Sanders, a graduate of 1959, left in August for the Marynook Novitiate at Galesville, Wisconsin. (Incidentally, this is where Father Willis Langhals was sent this year, as novice master.) Marynook is the training center for the Marian-

SANDERS

COMPAS

WHITE

ists. At the end of one year, Jack will make his temporary vows. After the novitiate, he will continue his studies at St. Mary's University in San Antonio, Texas. At Chaminade, Jack was well known as treasurer of the Student Council and editor of the *Cardinal*.

Dan Compas finished his junior year at Chaminade and then left for the Benedictine novitiate during the summer. While at Chaminade, Dan was active in the band.

Larry White entered the Marianist postulate at Kirkwood, Missouri. This is a preliminary step before entering the novitiate. Here the boys complete their high school education under the supervision of the Brothers. During the past year, Larry was a sophomore cheerleader and a second division boarder.

Another new addition was the purchase of two 35mm movie projectors, which will be used for educational films.

Cardinal and White

CHAMINADE COLLEGE

CHAMINADE COLLEGE

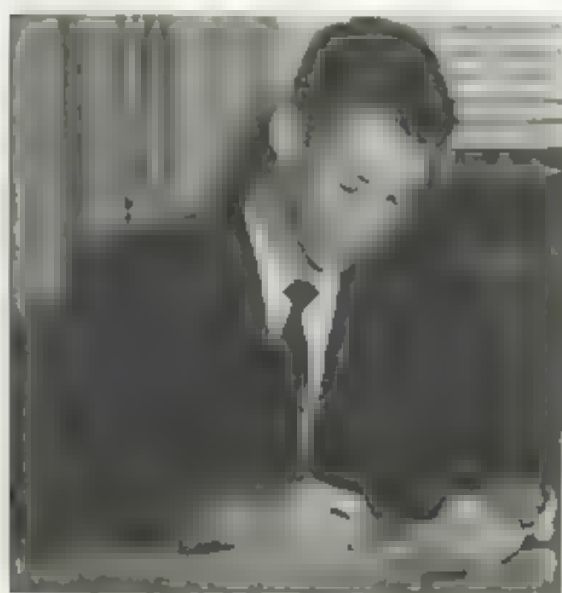

THURSDAY, NOVEMBER 19, 1959

Number 2

ALUMNUS MAKES FIRST VOWS

A little over a year ago, two seniors from the 1958 graduating class at Chaminade entered religious life. Lloyd Klinedinst was one of them. In August, following his graduation, Lloyd entered the Society of Mary at the novitiate in Galesville, Wisconsin.

Lloyd graduated from the eighth grade at Our Lady of the Pillar, where he won a scholarship to Chaminade. In his freshman year, as well as the rest of his high

Brother Lloyd Klinedinst

school years, he made the honor and high honor roles. But Lloyd was also sports inclined. In his freshman year he played football, but unfortunately broke his leg. He then turned to swimming, already his favorite summer pastime, and developed into an expert swimmer.

But Lloyd's talents didn't stop there. In his senior year, Lloyd was president of the student council, editor of the yearbook, an ardent socialist, and participated in many more activities. The school year came to a close. He had again won a scholarship, and was wondering what to do in life.

Then he arrived at his decision. Lloyd chose the religious life

RETREAT COMING NEXT WEEK

This year the annual high school students' retreat will be held during the three days that precede the Thanksgiving holidays. Commencing at 8:50 in the morning of November 23, and going until November 25, this year's retreat will be conducted by Rev. Richard O'Shaughnessy, S.M.

Although attendance at the retreat is compulsory, it should not be looked upon as just another school activity, but regarded as a splendid opportunity to gain an increase in grace, and as a time to

improve one's spiritual life.

Such pleasures as dating, going to the movies, and listening to the radio should be put aside for this three day period, and the time that was used for these pleasures should be used for prayer and meditation. The time usually spent in class should be used to gain all the possible benefits which come from the making of a good retreat.

Bro. Frank Klapp Elected President of A.C.E.T.

At the last high school teachers' convention on October eighth and ninth, Brother Frank Klapp of Chaminade was elected president of the Archdiocesan Council of English Teachers, which is composed of all the Catholic high school English teachers of metropolitan St. Louis.

Bro. Frank's job will be to direct the Council in its function of coordinating the methods of teaching English in the high schools of the St. Louis area. The Council also helps plan the annual teachers' convention, which is held early in the school year.

he entered upon a religious career a way of life for God.

Brother Lloyd, as he is now called, stayed at Galesville for one year, where he made his first vows of poverty, chastity, and obedience. He is presently studying at Maryhurst, Kirkwood, to be an English teacher in the society. Brother Lloyd is destined for success and the school can well be proud of him.

COMING ATTRACTIONS

Coming soon are two color movies which may help Chaminade students choose a college or give them a better idea of what will be found in one which they have already selected.

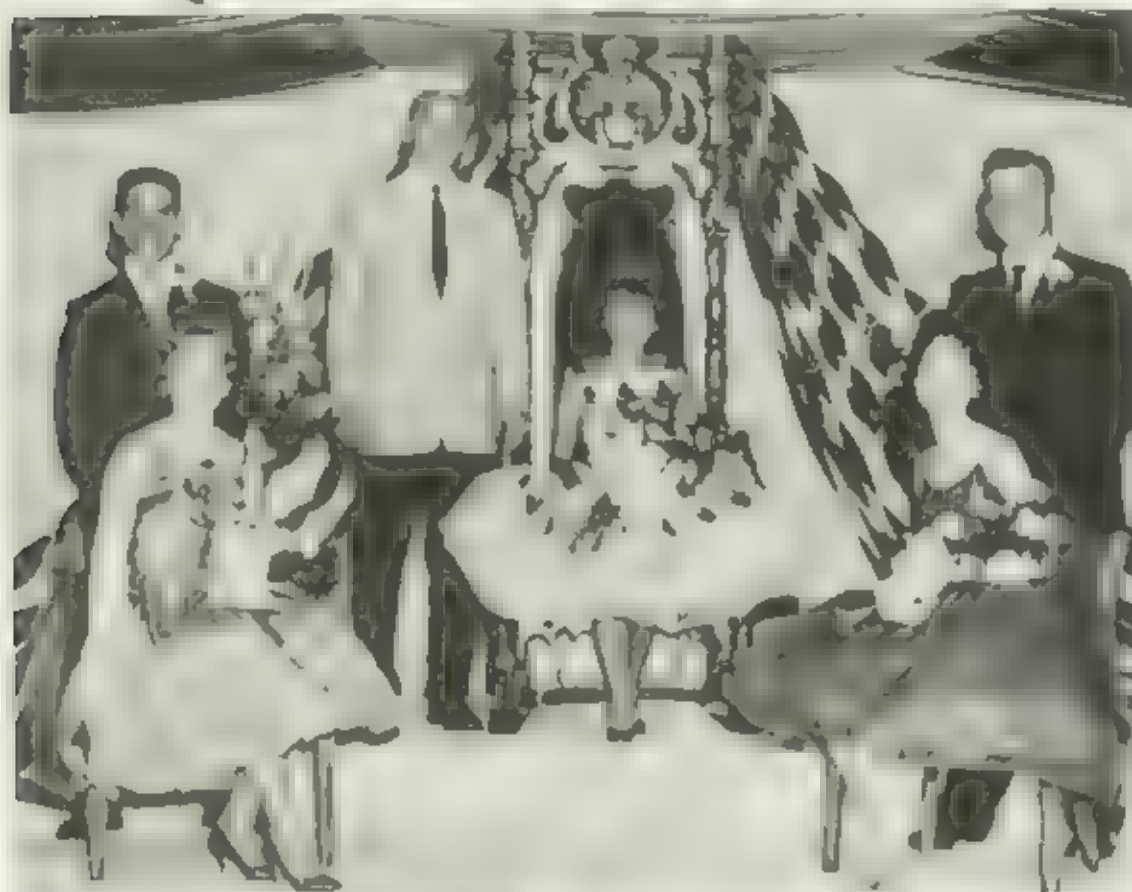

The first, scheduled for December 4, 1959, is about Notre Dame, and is narrated by Joseph Boland, nationally known sportscaster. A second movie is planned for January, 1960, on the University of Dayton.

The purpose of these movies is to acquaint the seniors, and possibly the juniors, with what these colleges have to offer in the way of studies, sports, and other activities.

The guidance department is trying to line up more of these films for the benefit of the students.

What brought about this decision? It could have been Father Blume's last inspiring words, the goodness and generosity of the brothers; it could have been many things. In his mind he answered the questions: Do I have the qualifications? Am I willing to give up the pleasures of the world? That August

QUEEN AND HER COURT

From left to right Greg Faherty, Miss Pat Patterson, Pete Knese, Miss Judy Gantner, Miss Sandy Freeman, and Doug Villars

On November 6, the annual Football Dance was presented by the Junior class. The dance itself was a success due to the extraordinary decorations and fine planning and arrangements. Miss Judy Gantner, escorted by Pete Knese, was the queen of the dance. The special

maids were Pat Patterson and Sandy Freeman, escorted by Greg Faherty and Doug Villars. Congratulations are in order to Brother Richard Moerchen, S.M., and the dance committee, who promise us many more equally successful dances this year.

Alumni Holds 2nd Annual Fall Dance

The second annual Alumni Fall Dance at Chaminade was held Saturday, Nov. 7. The dance began at eight-thirty. The Fall Dance is sponsored by the Alumni Association of Chaminade, which is moderated by Brother Frank Klapp.

Music for the occasion was furnished by Ron Jacobs and his Continentals.

To the ladies at the dance was awarded an attendance prize of a twenty-five dollar permanent wave gift certificate. Other attractive gifts included tablecloths, towels, and other items which would splendidly add to the Christmas decor. The early arrivals received flowers.

Although the Fall Dance was given by the Alumni Association, it was not restricted to members. Members were encouraged to bring all old alumni friends.

Everyone had a grand time at

MOTHERS' CLUB HOUSE TOUR WELL ATTENDED

On Tuesday, November 17, the Chaminade Mothers' Club, headed by Mrs. Gene Vescovo, held their annual Holiday House Tour. The tour, which started at 10:30, included the homes of Mr. and Mrs. Edward C. Seeckart, Mr. and Mrs. John J. Vollmer, Mr. and Mrs. Robert Wallace Carr, Mr. and Mrs. E. Edwin McCaskill, Mr. and Mrs. Walter Wittenberg, Jr., Mr. and Mrs. Harry A. Baumstark, Mr. and Mrs. Edward G. Nusrata, and Mr. and Mrs. Vernon A. Fischer. Thanksgiving and Christmas holiday decorations in the homes were arranged by well-known interior designers and florists in the city. A buffet lunch, featuring delicious roast beef sandwiches, was served

this year's Alumni Fall Dance, and will undoubtedly look forward to the third one next year.

DADS AND SONS FEAST TONIGHT

Banquet Set This Year for Chase Hotel

Tonight, November 19, the Fathers' and Sons' Banquet, which has been talked about for the past couple of weeks, is to take place. This annual event will be held on the Starlight Roof of the Chase Hotel.

A committee of men from the Fathers' Club have been planning such things as the dinner menu, speakers, entertainment, and prizes. Father Blume will give the invocation, and then all the fathers and sons will sit down to a delicious meal of braised beef. Dinner music will be played for about an hour. The thanksgiving will be said by Father O'Shaughnessy, and then the fathers and boys will be royally entertained. Mr. Gene Vescovo will be master of ceremonies. The head speaker will be Mr. Del Wilber, who played with the Cardinals for a few years and now is a National League scout. He will give a talk on some aspect of sports. After his speech, there will be a judo act and a weightlifting act. A total of over fifty prizes will be given, consisting of baseballs signed by Stan Musial, basketballs, and footballs.

from 11:00 to 3:00 in the gymnasium. This had been converted into a country store, where home-baked goods, jellies, and other items were sold. There was also a Surprise Package Booth, where wrapped gifts were sold for fifty cents and a dollar.

The success of the tour greatly reflects the efforts of all the mothers, those who planned the event, those who worked as hostesses in the various homes, and at Chaminade, the day of the tour, and those who attended in such great numbers. Thanks must be given to Mrs. Joseph B. Catanzaro, the general chairman, and to Mrs. Charles J. Grady, her co-chairman, for their great efforts and work in planning this very successful Mothers' Club annual Holiday House Tour.

Summer Fatality

A few short months ago, the graduates of 1959 sat on the stage for Class Day ceremonies. Little did any of them realize that one of the graduates would soon meet a tragic death.

Roger Shepack

We are referring, of course, to Roger Shepack, who, riding to work with a friend, was killed last July in an automobile accident.

Condolences are extended by the Cardinal and White staff, as well as the whole student body, to his family. We all knew Roger and liked him, and we know in our hearts that we can pray to him and not for him.

Mill Hill Seminarians Study At Chaminade

This year Chaminade welcomes a new group of students--students who are destined for the foreign missionary priesthood with the Mill Hill Fathers. They are occupying the Frat House on the south end of the campus. In former years the high school students of the Mill Hill Fathers resided at the house at 3628 Loughborough and attended school at the St. Louis Preparatory Seminary.

A happy increase in the number of vocations compelled the missionaries to seek a larger place of residence for their high school students. The Brothers of Mary offered the Mill Hill Fathers the use of the Frat House for their house of training. The students could then attend Chaminade for their schooling. This offer was gratefully accepted. During the month of August the house was prepared for occupation in time for the new school year.

The Mill Hill Fathers, whose official title is St. Joseph's Society for Foreign Missions, were founded by Cardinal Herbert Vaughan in England in the late 1860's. The

Extra Curricular Assembly Instructive

It has been customary at Chaminade that an assembly be held each year for the sole purpose of presenting and explaining the extra-curricular activities to the underclassmen.

On September 25 this again became a reality, and a phenomenal success. The assembly opened with the national anthem. Charles Nolan, president of the Student Council, addressed the student body briefly and then handed the microphone over to Brother Frank Klapp, S.M., who read a letter from Bob Hellrung, Student Council president of last year. The four Student Council officers took their oath of office and received their pins. Then the representative of each homeroom was given a card designating the great honor and importance of his position.

Later, speeches were delivered to the student body by senior representatives of each extra-curricular activity. The assembly was unanimously approved as a great success, from the fine speeches delivered, down to the students who listened attentively.

Credit for the excellent assembly goes to Brother Frank Klapp, moderator of the Student Council this year, and the Student Council officers, who not only organized the assembly, but also carried it out successfully.

work of the society is exclusively in the foreign mission field. The Mill Hill Fathers, numbering over 1,000 priests and 150 brothers, currently labor in 15 mission territories in Africa, India, Pakistan, Borneo, the Philippines, New Zealand, South America, and the Falkland Islands.

The Mill Hill Fathers are relatively new in the United States, coming here in 1950. In addition to the two houses in St. Louis, they also have houses in Albany, New York and Los Angeles, California.

Homeroom Reps Elected

Representation of a group is an age-old institution. The Romans had representatives in the various assemblies of government. To these assemblies the representatives conveyed the wishes of the people.

The students at Chaminade, too, recently had their opportunity to elect the one whom they thought most qualified to represent them in the assembly, the Student Council. The students selected their reps on the basis of scholastic ability and good character.

Representing the sophomore homerooms were Bobby Brown, Ed Ell, and Bill Wefel.

Junior reps chosen were Dennis Maginn, Steve Hartenbach, and Bob Leggat.

Seniors elected to represent their home rooms are Jim Rozdech and Gerald Fitzwilliam.

Good luck for a successful year!

FIRE! FIRE!

"Fire!"—No, not really a fire, just a fire drill. On Monday, September 14, at 9:44 a.m., Brother Ernst pulled the fire alarm which set the whole school in movement. This drill was practice for the coming test by the Fire Commissioner, which will occur some time the latter part of this month and in each succeeding month. The fire drill was executed smoothly, except for a few straggling classes, and took four minutes with the use of the fire escapes. This fire drill would have taken two and a half minutes had those classes which used the fire escapes descended the common exit, the stairs. Brother Ernst regarded the fire drill as a success, excluding the fact that three windows remained open and two fire doors were left ajar. The importance of fire drills was awakened in the mind of many as a result of the calamitous Chicago school fire of last year.

FLYERS' RECORD STANDS AT 2-0

Above: John Dempsey stretches during practice.

Left: Ken Kuhn snags pass as Jerry Murphy and Ralph Sebacher head out after him.

RETURNING LETTERMEN

Football experts agree that one of the best ways of gauging the potential showing of a football team is by the number and caliber of its returning lettermen. The 1959 Flyers have eight varsity lettermen who are able to play. Since the middle of August these lettermen have been practicing with the rest of the squad, and on Saturday, Sept. 19, they proved, by handily vanquishing the Valle Warriors, that their many hours of practice had not been in vain.

Ken Kuhn, a sure-handed pass receiver and a good blocker, returns to his end slot. Ralph Sebacher, besides being a fearless tackler and one of the Flyers' defensive stalwarts, will be seen at the opposite end of the line. Frank Lynch, whose great size helps him to batter away the defense and which doesn't hurt his mobility, plays tackle. John Dempsey's powerful blocking ability and quick thinking makes him a formidable tackle.

In the backfield, Pete Knese, Chaminade's Catholic League All-Star fullback, is a threat every time he carries the ball with his powerful line plunges and swift end sweeps. Big Jim Korak, largest man on the team at two hun-

dred and fifty pounds, is a demoralizing runner who makes anyone who is lucky enough to tackle him wish he had stayed on the bench. Jim is also a hard tackler, who is never too gentle with opposing ball carriers. Greg Faherty, who makes enemy quarterbacks afraid to send their backs into his territory, is another backfield man. Hard-hitting Jerry Murphy teams up with Faherty to make it pretty rough on teams with visions of touchdowns.

Jim Bozdech, who, because of an injury will be out for a part of the season, should add a fresh boost to the Flyers when he is able to play. Another letterman, Doug Villars, is also out because of an injury.

Prep Team

This year's prep football team is heading for a successful season, under the direction of Bro. Meinhardt. The full schedule is not as yet known, but it is sure to be a tough one. The first game was played Sept. 27 with Sts. John and James at the Chaminade field.

If the prep team follows in the fighting spirit of the varsity, it will have no trouble winning all games.

Flyers Vanquish Valle

Chaminade fans got a rosy view into the football future on Saturday, Sept. 19, when the Flyers Vanquished Valle, 38-7. Under the field direction of Robbie Dee Durbin, the Flyers scored 6 of 11 times they had possession of the ball. If this game is any indication of games to come, Chaminade should have a Catholic League champ.

In the first half, the Flyers marched all the way to a touchdown after receiving the opening kick-off. Pete Knese getting credit for the score. Valle could get nowhere and punted. Again the Flyers scored, with Don Carmody crossing the goal line for the marker. Finally, after a 25 yard pass, Valle scored. Score at the half was 13-7, Flyers' favor.

The Flyers came back strong the second half, an unusual thing in Flyers teams of the past. Don Carmody, after intercepting a Valle pass, crossed the line for a touchdown. Pete Knese, Greg Faherty, and Jim Korak added touchdowns to give the Flyers a 38-7 margin of victory. Robbie Dee Durbin and Jim Korak added extra points, Robbie's on the first TD, Jim's on the last.

PERRYVILLE POUNDED

With the fine turnout of Chaminade backers, the Flyers glided to their second win in as many games over St. Vincent's. Shortly after the game began, the Flyers recovered an Indian fumble. A few plays later, Jim Korak plunged for the TD.

The second half showed Chaminade playing a much improved offensive game. Bob Brown and Don Carmody scored the other two touchdowns.

FOLLOW THE FLYERS AT HOME AND AWAY

Brother David

Brother David O'Hearn, S.M., the new varsity football coach, is no stranger to old Chaminade alumni: Brother David was a three letter man at McCooey High School in Hannibal, Missouri, showing forth his talents at either the tackle or guard posts. Chaminade fans got their first look at Brother Dave as a junior when McCooey downed Chaminade, 7-0.

In his senior year, McCooey High again played Chaminade, but met a 12-8 defeat at the hands of the Flyers.

Brother David's first coaching assignment came in 1954, when he coached San Antonio's B-team to a successful 3-1-1 record. In the following year he took over the helm of San Antonio's Junior Varsity. In 1956, Brother David led St. Mary's B team to a 5-3-0 record. For the seasons of '57 and '58 he served as prefect here at Chaminade, gathering valuable football information which has already shown forth to the best advantage in Chaminade's 38-7 victory over Valle in the opening game of the

season.

PEP AT RALLY

Below: Valle's coach is interviewed during pep rally.

CC's Junior Flyers In Preparation

Above: C-Team runs scrimmage in practice for first game.

Below: C-Team has blocking practice.

Below is the schedule of the C-team as of September 23

Oct. 4—St. Thomas Aquinas There
Oct. 7—St. Mary's Home
Oct. 17—Assumption There
Oct. 24—McBride Home

Since the start of the school year, the C football team has been practicing enthusiastically on the Chaminade campus. Forty boys turned out for practice periods, under the direction of Brother Cyril Hoachert, S.M.

The C team season will start on Oct. 4 with St. Thomas Aquinas as the opponent at their field.

This year the Chaminade C-team will play four games. There will be two games at home and two away.

Judging from the hard work the boys have put into practice, the prospects look bright. A number of fast ball carriers have shown promise, and the defense has been drilling hard for the past few weeks.

NEW ATHLETIC DIRECTOR

A change has taken place at Chaminade so quietly as to go almost unheralded. In fact, were it not for a small article in the *St. Louis Review*, no one "in the outside world" would know that Brother John Haug had replaced Brother Meinhardt as director of athletics at Chaminade. To lay men, those outside the athletic picture at Chaminade, this means little, but to the players, Bro. John looms as a big man.

Bro. John is the man players see about those innumerable "little" things that players are apt to fall prey to. He is seen about the bruises and blisters and cuts and scrapes. Usually, all he must do is "tape 'em up." Rarely, he must send players to the "doc's." Here he uses his "trained eye" (and hands) to judge the seriousness of an injury.

That, then, is what Bro. John Haug, as athletic director, means to the players.

"BEEZERS" BUSY

It was Monday, September 14, when Bro. John Haug called the first B-team practice of the year. There were approximately 30 sophomores out for practice, but of those 30, John Barrett, Tom Conannon, Terry Baum, Don Kuntz, Len Batterson, Jim Phelan, John Beck, Scott Jones and Rick Berkner had been practicing with the Varsity since August 15.

At the present writing, the B-team's first game is October 3, against Cathedral. Last year the freshman team beat Cathedral 14 to 7, but this year, with all the spirit the team has shown, they hope to crush Cathedral.

Chris's Corner

Father: "I never kissed a girl until I met your mother. Will you be able to say the same to your son when you get married?"

Son: "Not with such a straight face as you can, Pop."

• • •

Customer: Can you recommend a gift for a wealthy old aunt who is very weak and can hardly walk?"

Clerk: "How about some floor wax?"

• • •

Mrs. G.: "My husband is one of the big guns in industry. He's been fired seven times."

• • •

C. Nolan: "If I threw a kiss across the room, would you consider me bold?"

Pat: "No, just lazy."

• • •

Confucius say: Man who sit on tack—better off

• • •

Money isn't everything and don't let anyone tell you it is. There are other things, such as stocks, bonds, travelers' checks and drafts.

• • •

Kookie: "Weren't you the same barber that cut my hair last time?"

Barber: "I don't know, sir; I've only been here a year."

• • •

Senior A recently had elections and on the first ballot everyone received one vote. Take it the way you want to.

Band Prepares

On September 14, the Chaminade Concert Band officially opened its 1959-60 season. The band now occupies a new, spacious, soundproof room at the south end of the fourth floor. Its members have started practicing for the first concert, to be given on December 13, 1959. The members are quite promising

Anyone who is interested in playing in the band is urged to contact Mr. Scheibal.

BACK AGAIN

"Here we go again!" That phrase was repeated many times on the ninth of September. At that time the men of Chaminade marched into the gym for the assembly which would officially open the school year

In the gym stood our new Student Council president, Charlie Nolan, who was master of ceremonies.

After everyone was seated, Charlie proceeded to introduce the new Student Council board. They were as follows: Vice-president, Mike McCarthy; secretary, Pete Kneese, and treasurer, Bill Cahill

After Charlie welcomed the student body, he introduced Father Blume, who urged each boy to assume his responsibility as a member of his class. He reserved the major part of his address for Mass, which was celebrated later that day.

Then he invited Bro. Ernst to give a talk to the student body. Bro. Ernst said that we came to Chaminade for four reasons. The first was success in the coming years of our life. The second was conformity, and the third was culture of our mind and body. The fourth, but not least, was to use what we learn to make ourselves and others better Catholics

At the conclusion of his talk, Brother called on Mr. Scheibal, who, with the help of Dennis Matteuzzi, one of our able seniors, went through the school song for the benefit of all the new students. The assembly came to an end as Brother Ernst assigned each boy to his homeroom.

Banquet Time

The annual Father and Sons' Banquet is nearing again. This year the Father and Sons' Banquet will be held on Thursday, November 19, at the Chase Hotel. This special affair, sponsored by the Fathers' Club, is something that every boy and his father should attend. The Fathers' Club is expecting a crowd of about 600. There will be a prominent speaker and a night of surprises.

Student Parking

On Monday, September 21, a new system of parking students' cars was instituted at Chaminade. Students who drive to school every day received a registration number and were assigned parking spots. These parking places are indicated by silver paint on the sides of the road. Parking is also allowed along the road in front of the dormitories. These parking spots will be used throughout the school year. Students who only occasionally drive to school must report this to the office on their arrival at school.

These new regulations were instituted for the safety of the students and the convenience of the drivers. They were also desirable because some students park in spaces which would hinder traffic before or after school, or because they parked where someone could possibly bump into their automobile.

The office is sure that these new rules will show their worth in a very short time.

New Chaplain

Father Richard O'Shaughnessy, S.M., a native Saint Louisan, is the new chaplain here at Chaminade. He was previously here from 1948 to 1951. During his absence from Chaminade he resided at Assumption High School in East Saint Louis, where he taught senior religion, and senior and junior

English. He was also school chaplain, and the director of the Diocesan High School Sodality Union.

Here at Chaminade, Father is kept busy with senior religion and sophomore English. He is the homeroom teacher of Senior A, besides being counselor for juniors and seniors. He is the Sodality coordinator here at Chaminade and director of the Archdiocesan High School Sodality Union. He is also in charge of the Sodality Secretariat for the St. Louis Province of the Society of Mary. The faculty is very glad to have Father O'Shaughnessy back on the staff. We as students of Chaminade welcome him back and hope he will be with us for many years to come. Good luck to you here at Chaminade, Father.

Sodality Undertakes Movie Project

This year the Senior Sodality has started a project to increase attendance at "A" movies. From a survey made at the Sodality Convention held in St. Louis, it was discovered that the attendance at "B" movies has been increasing at an alarming rate. The Senior Sodality decided that the situation could be corrected in several ways.

First of all, the Sodality has received permission from the Student Council to use their bulletin board on the first floor to list the movies each week. The movie list from the *St. Louis Review* will be put on the board, along with the regular monthly classification list. In addition, there will be small cards on the bulletin board

SPEECH WELL UNDER WAY

Brother Frank Klapp, S.M., explains new techniques to speech team members

Another successful Chaminade debate season is in the offing for the 1959-1960 season. Under the direction of a new coach, Brother David Fleming, S.M., in his first year at Chaminade, the debate team has veteran speakers Bill McBride, Jerry Walsh, Bob Leggat and Jack Murphy returning for another year of Catholic Inter-scholastic Speech League Compe-

tition. Augmenting this staff of debaters are Mike Ford, Eric Leonhardt, Dick Motherway, and Bill Wefel. The debate meets this year will be held at Chaminade, Saint Elizabeth's Academy, and Saint Thomas Aquinas High School. For the debate topic this year the controversial theme of Labor-Management relationship has been chosen.

Sodality Convention To Be Held In Pittsburgh

This year the 11th Annual Marianist Sodality Convention will be held at North Catholic High School in Pittsburgh, Pa. The convention will convene on November 27 and last through the 29th.

To it will flock sodalists from practically everywhere the Mar-

ianists are established. The "Servants of Mary" will come from as far north as St. Boniface, Manitoba, in Canada; from as far south as San Antonio, Texas; from as far east as New York; and from as far west as California. From the St. Louis area there will be two delegations. One group will travel by chartered bus, while the other will take the train. Chaminade will be represented by Father O'Shaughnessy, director of the school sodality; Bro. Frank Klapp, moderator of the senior sodality; Bro. David Wolk, and from ten to fifteen student sodalists who have not yet been named.

Secondly, it was decided that each religion teacher should spend one class period discussing the danger of attending "B" movies. This should give the students a better understanding of the seriousness of attending "B" movies.

Thirdly, if an exceptionally good movie comes to the city, there will be an announcement in the daily bulletin urging the students to see it. Such a movie is the "Diary of Ann Frank."

This program, if followed by the students, should reduce the attendance at "B" movies considerably.

Hundreds of sodalists will be gathered together at this one convention to further their main cause, the love and worship of Our Blessed Mother. This year's particular topic will be the "Student Vocation." A sodalist is one who dedicates himself to Mary, and the convention will be one step forward in this vocation.

HOMEcoming

Chaminade held its annual homecoming on October 24, 1959. Every homeroom was represented in the parade with a float. This year the winning floats had very good themes. Sophomore C took first place with a red and white float depicting an explorer rocket, and bearing the caption, "Let's put Marquette into orbit," a theme which fits in well with the scientific advances made in the last few months. Senior B took second place with a pig roasting on a spit with the caption: "This little pig went to Marquette." Unfortunately, the wind demolished senior A's float on the way to the parade, and it had to be hastily reconstructed. In spite of this handicap, Senior A still took third place with their float which depicted a graveyard scene with the caption, "Marquette's eleven lie a-smoulderin' in their graves." Senior A made up this defeat by capturing the spirit trophy for the year at the game that afternoon with 97% attendance.

After the game the Fathers Club held a carnival in the school gym. In spite of the inclement weather, the crowd was very good, and the gym was filled. Because of the good response the carnival continued until after nine in the evening. A delicious roast beef dinner was served in the school cafeteria.

It is hoped that the money realized by the carnival and the beef dinner will enable the Fathers Club to install a new gym floor.

New Contact Plan

The Chaminade faculty this year has devised a new plan to acquaint grade school principals in the area with the school and its program. During the year Chaminade is to contact the grade school principals and let them know exactly what the school has to offer. The entrance requirements will also be explained. The principals will then be able to give the information to interested parents.

Eighth and Ninth Grade Representatives Elected

October Frosh and Prep Elections Bring 1959-60 Student Council to Full Strength

Student Council elections are taken very seriously at Chaminade. It is understood that these men are not elected for popularity, but because of scholastic ability, good character and their qualities of leadership. The upper class homeroom representatives to the Student Council are elected during the third week of September. This is

because the upperclassmen know each other well enough to make rather good judgment on the men who are truly their leaders.

In the eighth and ninth grades, the elections are not held until the last week of October. The reasons for this delay are obvious. In the eighth and ninth grades, personality changes occur often and a qualified leader one year may not be the best prospect for the following year. Also, the ninth graders consist of a majority of new boys who must get to know one another, and their abilities and limitations. Congratulations to Representatives Diruberger and Zhamer of the eighth grade rooms B and A, respectively, and to Dennis Walters, freshman A; Tim Crowe, Freshman B; and Greg Dwyer, Freshman C.

From left to right: standing, Joseph Diruberger, Tom Shaner; seated: Dennis Walters, Timothy Crowe, Edward Dwyer.

Serra Essay Contest Begins Another Year

The annual Serra Essay Contest is being held again this year. The purpose of the contest is to encourage vocations to the priesthood and to the religious life. The contest is open to boys and girls who are in their senior year in any Catholic, diocesan or private high school of the Archdiocese.

The subject this year is, "How Could I Serve God Best With a Religious Vocation?" The essay is to be not more than 1,000 words, and must be received at the Chancery Office, 4396 Lindell Blvd., St. Louis 8, Missouri, not later than November 16.

There are two identical sets of prizes for the best essays in the boys' and the girls' divisions—first prize, \$100 U.S. Savings Bond; second prize, \$75 U.S. Savings Bond; third prize, \$25 U.S. Savings Bond; and three fourth prizes of \$5.00 each in cash.

The following are the Chaminade Seniors who are participating

Prep Student Dies Of Head Injury

Condolences are extended by the Cardinal and White staff, as well as the entire student body, to the

George C. Culliton family on the recent death of their son, George C. Culliton III.

George was a seventh grade student at Chaminade. He sustained an injury while playing touch football

Oct. 12. His death resulted from a cerebral hemorrhage.

Funeral services were held Nov. 9, at St. Clement's Church. The entire seventh grade attended, and students served as pall bearers. A Requiem High Mass was celebrated at Chaminade on Nov. 10, for the repose of his soul.

in the contest: J. Bozdech, L. Hulshof, J. Juelich, F. Krewet, G. La Vigne, J. Murphy, P. Nolan, L. Roberts, and J. Teiber.

LET'S FACE THE MUSIC

The Student Council recently held an essay contest on music appreciation. The prizes offered were two series of tickets to Kiel Auditorium, covering ballet, orchestra, opera, and the concert of a pianist, which the Council purchased from the Civic Music League at an expense of sixty dollars. Bill Cahill saw the first performance of the series, the "National Ballet of Finland." He had the following to say: "I was surprised by the unique way they acted out a story by movements; I thought it very enjoyable." Congratulations to the winners, Tom Murawski of Junior B, and Bill Wefel of Sophomore A.

Unfortunately, the response of the students to the essay contest was very poor. Of the entire student body, only three took the time to enter, except for a class which was given this essay as an assignment. Music is not just something for highbrows. Music is something beautiful, something

SPICE OF LIFE

It is nine-thirty; the bonfire is over. Very few people are still at school. The day students have gone their ways, either to take their dates home, (one per hundred), or to go to the various parties. The boarders sit watching television. Some dull detective story is on.

Time passes slowly; it is nine-forty. Pete yawns, gets up and wanders into the hall to get a soda. At nine-forty-two, Pete returns with four St. Joe girls, found waiting in the hall for their ride. Their ride is coming at ten-thirty. The boarders' jaws become unhinged. After their wits are collected, the girls are seated.

The time is nine-forty-five. The assembly in the clubroom continues watching television. The light is still on in the candy store. Sissy notices the figure in black, asks: "Is he for real?" One member thinks of another possible occupation. "No, they'd never listen to me."

The time is nine-fifty seven. The

precious, that everyone can enjoy. It elevates us from the common work-a-day world. It gives our imagination a valuable assist. With music you can close your eyes and imagine yourself to be anywhere the music takes you.

Music is one of the more worthwhile activities we can put our minds to. It brings a little culture into an education, which unfortunately, of necessity must be practical. But just because we do not have time for a course in music appreciation, don't think that music should be neglected. Can you imagine a world without music? Music has often inspired men to do great deeds, but judging from the response of our students here at Chaminade, they would get along just as well in a world without music.

Is it that we are afraid to let a little culture seep into our lives? I doubt that any student here at Chaminade has any real complaint about being "over-cultured!" Next time such an opportunity is afforded us, let's see if we can't have a little better response.

girls are talking about how disappointed they were that there was no sock hop. The boys join in the discussion. At nine-fifty eight, Pete suggests that the television be turned off and that everyone dance (the other possible occupation).

Leroy, Pete, Rich, and the figure in black get up to dance with the four St. Joe girls. At nine-fifty-nine the poor, clumsy moron dressed in black fumbles about in pitch darkness, with the television turned off, putting the record, "Let's Talk About Us" by Jerry Lee Lewis, on the Voice of Music stereo.

There is a gleam of light in the candy store. At ten o'clock the gleam goes out. The sound of feet is heard coming around the building, "CRUNCH, CRUNCH, CRUNCH!" The low talking stops. Have to leave now."

Suddenly there is a dazzling brightness! A deep voice is heard saying, "Okay, gentlemen, time to close up. Sorry, little ladies, you'll

To Think About

When you sit at home and try to decide

Whether to go, or by your fire abide,

Think: If it should happen that I don't go,

Will the cheering be a little slow?

When you're a senior and have too much Trig,

Or when you think your lessons are too big

To allow you to go to sit in the stands

And cheer on your team as one of the fans,

Think of all the Dougs and Gregs, The guys with broken arms and mangled legs;

Think of the Dennys and Petes whose average could be five points higher

If it weren't for that insatiable desire to be a Flyer.

Think of Kenny and Big Frank, who play the line,

Who hold those monsters out if someone messes up the signs;

Think of how they feel when someone fumbles a play,

And how some good cheering would brighten their day.

Think of Bill on the trumpet and Paul on the drum,

They've lessons too, but they still come,

Then there's Greg hoarse from cheering, and the rest of the six

That keep us yelling, when the team's in a fix.

And a team's not a team without its backers,

Our school's not big enough for any slackers;

Backing isn't required or expected, it's understood

That Chaminade men will turn out to see the Flyers whip them good.

And don't you think your home-room deserves your backing?

Even though you're only one, there'll still be something lacking

(But it's too late to tell him about getting 100% percent,

The guy I was talking to got up and went!)

(Continued on Page 8)

FLYERS BEST SINCE '38

Knese, Chaminade's Prep Player of The Week, rips for yardage, as Flyers romp by Coyle

Carmody sashes for first down against Priory

Flyers Add Three to Streak

With Pete Knese scoring the first touchdown and the Carmody-Brown pass combination clicking for the final T.D., our Chaminade Flyers defeated the Wildcats of DeAndreis 14-0. The hotly contested victory, the Flyers' third straight of the season, was played under rainy conditions, causing problems in ball-handling for both teams.

The game's first score came in the second quarter when Pete Knese plunged over from the 2-yard line for the tally. Then, just as the half was about to end, Flyer fans were treated to one of the most spectacular plays of the season. With only seconds left, Don Carmody threw a pass into the end zone. Bobby Brown, though covered by two men, made a catch that left both Chaminade and D. A. fans speechless.

The Flyers added two more points in the fourth quarter on a safety. Dempsey, Hartenbach, Lynch, and Korak broke through

D. A.'s forward line to receive credit for the tackle.

Priory

On Saturday, October 10, the Flyers defeated the St. Louis Priory eleven by a score of 13 to 6 in a game played on a muddy Priory field.

Both teams failed to score in the first quarter, with Chaminade being hampered by costly penalties.

The Flyers broke the ice in the second quarter, when Sebacher scored on a pass from Carmody. The attempt for the extra point failed. Later in the same quarter Priory connected on an 85-yard pass play to score their only touchdown, but they didn't make the extra point.

"Go Jerry go." Olsen goes for fourteen against Coyle

Chaminade's Record Set At 5-2

Chaminade is over the hump for years. Flyer fans have contended that "If we ever have a winning season, we'll be tough for a long time." Chaminade has that winning team. This year's Flyers' team, under the coaching of Bro. O'Hearn, compiled a record of 5 wins and 2 losses. The Flyers copped third place in the Catholic League.

The Flyers, under the field direction of the little colonel, little Rob Durbin, virutally ran their opponents ragged. And with players like Knese, Carmody, and Brown in the backfield, and linemen such as Kuhn, Sebacher, Dempsey, Hartnebach, Leggat, Grady, and Lynch, how could the Flyers miss?

Brother Dave said he "was proud" of the fine play of the Flyers. The Flyers scored 123 points to their opponents' 73. Brother Dave's words are justified: not only does he have reason for pride, the whole school has reason for pride.

Congratulations to one of the finest football teams in the history of the school and thanks to the Flyers for giving the students more reason for being proud of their school.

Knese put the game on ice in the fourth quarter by running 22 yards for a touchdown. Kuhn scored the extra point on a pass from Carmody, and the score stood Chaminade 13, and Priory 6. A few minutes later the gun went off, and Chaminade had won its fourth game in as many tries.

On Oct. 18, Chaminade racked up its fifth win of the season, defeating Coyle of Kirkwood, 39-6.

For the Flyers there were 6 T.D.'s and 3 extra points. The high score quarter for Chaminade was the third, in which 20 points were chalked up. In the top scoring slot were Pete Knese with 2 T.D.'s, and Brown, Murphy, Korak and Carmody with 1 each.

Coyle's only score came on a blocked punt in the first quarter.

FLYERS DEALT TWIN JOLT!

MARQUETTE

Riding on the Marquette game for the Flyers was a 5-0 record and a shot at the Catholic League championship, but the Flyers' train was derailed. The team fought hard, but to no avail and as the final gun sounded, the Flyers were on the short end of a 19-0 score. Their streak had ended and only a slim chance of a co-championship remained.

Midway in the first quarter disaster struck. Pete Knese, attempting to go over the "5" hole, was hit hard and fumbled. The Explorers recovered and four plays later Marquette led. Jim Funk got credit for the T.D. The Explorers threatened again, but time ran out and the Explorers had to be content with a 6-0 lead.

In the second half the Explorers again dominated play, despite the Flyers' determined effort to get moving. Finally, after the third period stalemate, with six minutes to go in the game, Jim Funk connected with Tom Bohn on a 31-yard pass play, plus an extra point, and the Explorers led 13-0. Later in the same quarter Don Carmody attempted a pass, only to have Tom Bohn return the ball 55 yards for a T.D.

CATHEDRAL

The Chaminade Flyers closed their 1959 season Oct. 31 on a somber note with a 35-0 defeat at the hands of the powerful Cathedral Crusaders.

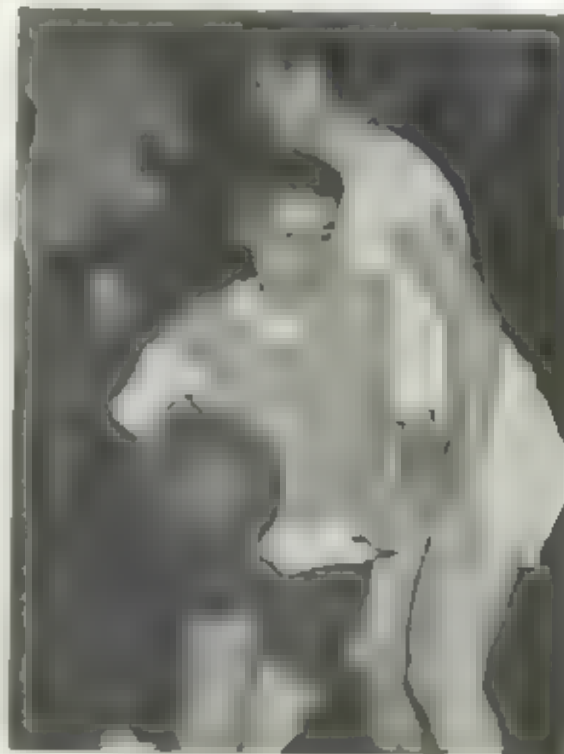

It was evident after the first quarter that the Crusaders were too fast and powerful for Chaminade, as they walked off the field with a 21 point lead at half-time.

The big play for Cathedral was the bad pass from center that took the life out of the Flyers and paved the way for Cathedral's first T.D.

There were some bright spots in the game and one of these was the brilliant defensive play of Ralph Sebachor and Jerry Murphy as they accounted for 35 tackles; Sebachor had 19 and Murphy 16. The other brighter spot was the fabulous punting of Don Carmody as he averaged 44 yards a punt. One punt appeared to go into orbit as it traveled 76 yards.

Cathedral managed to score three times in the first half and twice in the second. Their big scorer was Rich Rujawitz with 3 T.D.'s. He was followed by Charles Ferguson and Paul Flack, who had one touchdown each.

ALL'S WELL

"Whoops," Dierberger Drives By Nolan

"Tempus fugit!" Hardly has the Chaminade football fan time to recover from football when he must "convert" to basketball. Discussions on this year's Flyers football have barely ceased before debates on the chances of basketball team begins. "We should do this," "We should win that," is heard on all parts of the campus. Verification of these opinions will come on Nov. 23, when the Flyers face Festus in the Borgia Tourney.

But what do the experts say? Here, the experts are the coaches, both appointed and bleacher-style. Bro. Ray Davenport, who last year led the Flyers to a 23-7 record and Catholic League co-championship, feels that though the Flyers were weakened by the graduation of four starters, this year's team has potential and should move.

Returning to the Flyers with varsity experience are Don Carmody, Charlie Nolan, Pete Knese, Jerry Fitzwilliam and Bobby Van Vum. Chris Bina, out with a knee injury, is a question mark. Of the returnees, Don Carmody, captain of the team, has the most varsity experience, having played since his sophomore year.

Of the many juniors out, "Big" Jim Korak, John Virant, and Bobby Viragh show signs of promise. With the experience the team has, plus the "young blood," Chaminade's Flyers should move to the best year yet.

JUNIOR FLYERS END SEASONS C-TEAM AND B-TEAM WITH 3-2 RECORDS

The C-team, coached by Bro. Cyril Boschert, has not had one of its most successful seasons, but these future Flyers show promise of being a great varsity team. The team had very good potential this year, but most of the players, having had little or no football experience in grade school, were quite inexperienced and only piled up a 2-3 record.

The scores of the games were:
St. Mary's 6—C Team 0
St. Thomas Aquinas 0—C-Team 12
Assumption 32—C-Team 0
McBride 0—C-Team 13
Priory 12—C-Team 6

The B-team, under the able direction of Brother John Haug, had a fair season, compiling a two and three record.

The season started with Cham-

nade playing Cathedral, the Flyers losing 14 to 7, the only touchdown by Chaminade being a 97-yard run on an alert defensive play by Bob Myers.

The "Beezers," unable to score against Assumption and Marquette, lost the next two, 19-0 and 27-0.

The fourth game was against Coyle. In the first five minutes of the game the "Beezers" racked up two touchdowns by Bob Myers and Ed Ell. The other touchdowns in the game were by Hunter and Berkmeier, resulting in a 39-13 win.

The final game of the season was against St. Thomas Aquinas. The team went "all out" for this one. The score was 40-6, and touchdowns were three by Hunter, two by Berkmeier, and one by Schoelch.

have to leave now."

Three minutes later the clubroom is dark. Four girls stand huddled in front of the gym, waiting for their ride. Out on the road, several dark figures move toward the dorm.

Leroy: "Most fun I ever had in that old clubroom"

Pete: "It figures."

Rich: "I don't feel a bit sleepy."

Pete: "It figures."

STUDENT MANAGER

Our boy Dave at work on patient

One of the things taken for granted around Chaminade is the selected group of people who are responsible for keeping the players and equipment in working order. These unsung heroes are the managers and trainers of our teams. You might ask, what is the difference between a manager and a trainer? A manager is a person responsible for keeping the equipment clean. A trainer is the doctor's aid on and off the field. He takes care of the things doctors haven't time for. He takes care of such things as blisters, sprained ankles and wrists, and all the necessary taping. Before each practice there are about three or four people who have been hurt in one way or another and need attention.

The greatest satisfaction of a trainer is seeing all the members of the team playing. Dave Halloran, a trainer, has been doing a great job this year. He spends much of his time with the team, and almost all of his weekends are spent at the gym — many times he stays there far into the night. Dave took a trainer's course which consumed much of his time this summer. The diploma honoring his work was officially presented to him by Father Blume in the second assembly this year. Right now Dave is taking the "final exam"—treating the players in their medical needs.

Preps Sport Six Straight Wins

The Preps, with a late start in their grid campaign, unfortunately opened with Sts. John and James, last season's champs, and went down to defeat 13-0.

Brother Meinhart and Brother Murguia shuffled the positions after this first loss with the result that six straight wins were registered. Chaminade defeated Priory, 24-0; St. Sebastian, 26-7; Barat Hall, 12-6; Parkway, not in the league, defeated twice, there 20-13 and here 13-6; then back in league play again, and Annunciation went down, 27 to 14.

The Preps closed the season with a 13-13 tie with Pillar following a defeat at the hands of St. Roch, 21-0.

Congratulations

CLAYTON, MISSOURI

CHAMINADE COLLEGE

FRIDAY, DECEMBER 18, 1959

NUMBER 3

CHAMINADE MOURNS FACULTY MEMBER

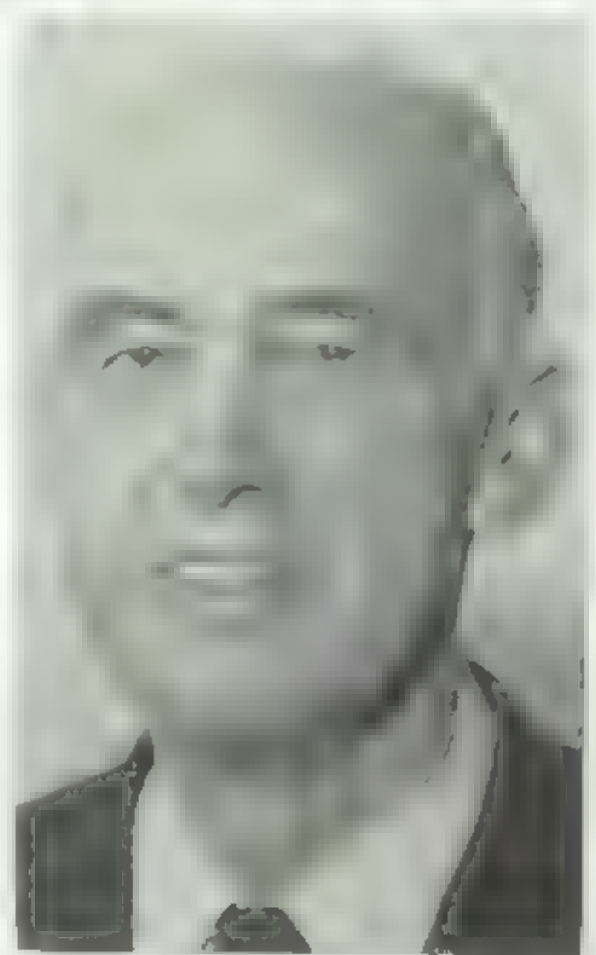

The theme of death has found Chaminade a familiar setting this year. Three weeks ago it struck the campus for the third time in a matter of months. The soul of Bro. Daniel Rabitt, S.M., was summoned by God early in the morning of Thanksgiving Day, Nov. 10.

It seems strange that Bro. Dan's life was taken at this particular time. First of all, because the retreat had just closed, and with it went Father O'Shaughnessy's impressive conference on death. Secondly, Bro. Dan had just started a bursar, with five hundred dollars, in August, for the education of a

future Brother — perhaps for a young man to fill his shoes. Bro. Rabitt was never able to finish it, and anyone who wishes to contribute to it is quite welcome.

Bro. Rabitt was known to most of the students as the treasurer of Chaminade. His death was a shock to the students and faculty, who knew and honored him.

Even though remorse is felt at his departure from this earth, a certain confidence is felt for him as one thinks of the guarantee to all Brothers of Mary: Whoever dies in the Society of Mary will undoubtedly go to heaven.

BROTHER RABITT

CHAMINADE SODALISTS TRAVEL TO PITTSBURGH

For the past month or so the Sodalists, especially the senior members, have been very busy with many projects. During the Thanksgiving vacation some of them attended the Sodality convention in Pittsburgh.

Convention

A group of junior and senior Sodalists, accompanied by Father O'Shaughnessy, S.M., Bro. Frank [unclear], S.M., and Bro. David Wolk, M., left on Thanksgiving evening for North Catholic High School in Pittsburgh, where the annual So-

dality convention for the schools taught by the Brothers of Mary was to be held. They arrived there Friday morning at 8:30, and

Sodalists describe convention: Master of Ceremonies M. McCarthy, Conventioneers R. Speckart, D. Halloran, R. Hennessy, Fr. O'Shaughnessy, Wm. Cahill, P. Pruess, J. Boxdech, R. Niehoff

CHAMINADE MAKES YEARLY RETREAT

This year's retreat was preached by Father Richard O'Shaughnessy, S.M., the new chaplain at Chaminade, who replaced Father W. Langhinnis this year. The success of a retreat can only be in the mind and heart of each student, and Father, in a most impressive way did give the students much material for thinking.

Among the various topics Father touched upon was that of death. The Students at Chaminade in the past year have become very aware of this, with the death of a faculty member and two students. Father Richard showed how death can come without warning. He pointed out that men of Chaminade should be men of Mary, and thus let their whole lives revolve around her. Father was also very amusing and kept the students interested in his talk on conform-

FATHER O'SHAUGHNESSY

ity. The resolution was, "Don't do it because the group does it, but rather because it's the right way, and Mary would like it."

The retreat master is important, not just because he can keep the students laughing, but because he shows them there is a time and place for everything. Real credit

NEW FACES IN DARKROOM

Freshman photographers, K. Dalton, P. Forrestal, and T. Klingert, busy making pictures.

FOUR CANDLES

All over the world people are preparing for the coming of Jesus Christ, Lord and Saviour. In America, Christmas is an especially festive occasion. Many homes are decorated inside and out with ornaments and colored lights. One piece of decoration which dates far back is the Advent Wreath. The Advent Wreath formerly was and in some cases still is, used as a fixture suspended from the ceiling. It is most frequently seen, however, as a centerpiece on tables.

Advent comprises the four weeks before Christmas. Thus the wreath has four candles, one for each week of Advent. For each week a candle is lit. Each candle is lit by a different person. Two are lit by the youngest and the oldest children of the family; the other two, by the mother and father.

At school, many homerooms have wreaths. Each day of the week the ritual of lighting the candles takes place, just as in a family.

also goes to the students, who kept silence exceptionally well, were very attentive, and made, to all appearances, a good retreat.

The Chaminade Photography Club is having an active year. Its seven members handle photo assignments for the *Cardinal & White*, the school paper, and for the *Cardinal*, the yearbook. The members also cover sports and social events, and sell pictures to students.

The Photography Club is moderated by Brother Eugene Meyer, S.M. Those who belong are Ray Wander, Ted Mueller, Kim Dalton, Tom Klingert, Rick Forrestal, Rusty Smith, Bob Tonn, and Tom Murphy.

The members of the Photography Club are working in an improved darkroom. New equipment has been added to the darkroom on the third floor of the main building. The club handles both motion picture and still photography, in color as well as in black and white. Photography Club members frequently find it necessary to be busy after school hours and on Saturdays to complete their work in the photo lab. As a result of having such a club, the school not only is self-sufficient in all photographic matters but, in addition, it is assured of quality and creativity in the planning and handling of all photo jobs.

(Continued from Page 1)

since the convention didn't start until 3:00, the Sodallists spent a good part of the day sightseeing. That evening there was a general discussion and a movie on segregation. On Saturday morning, the delegates worked on their projects, which replaced the school reports of previous years. Later, speeches were given on the subject of "Student Vocations." The speeches were then discussed in twenty-four groups. Right after lunch, a Mincola student gave a speech reporting on the World Congress held in New Jersey. In the afternoon the group made a tour of Huhl Planetarium. A speech was given by Mr. Zeuger, a well-known Catholic lay-worker, after dinner. Saturday activities ended with a dance. On Sunday morning, a speech was delivered by Bishop John Wright. In the afternoon, general resolutions were drawn up, followed by closing remarks, with dismissal at 2:00.

Food and Bundle Drive

For the past years the food and bundle drive has been a tradition at Chamnade. This project is sponsored by the Senior Sodality. For the past three weeks the seniors have been going around to the high school homerooms, urging the students to bring ten cans of food and old clothing.

Day of Recollection

On Sunday, December 13, there was a day of recollection for the high school sodality, conducted by Father Warner Rohrbach, S.M. It began at 10:00 and ended at 3:00. The purpose of this special day of recollection was to supplement the three days of retreat, which came just before the Thanksgiving vacation.

Crib Scene

The crib scene is another Sodality project. As in the past, it will be set up on the school campus so it can be easily seen by people passing by on Lindbergh. Its purpose is to further the "Keep Christ in Christmas" spirit.

January Workshop

On January 22, the Sodality workshop for juniors and seniors will be held. Its purpose is to

CAMPAIGN MANAGERS CONFER

L. Roberts, P. Nolan (Chairman), H. Kuhn, and R. Rapp.

Stacks and Stacks of Paperbacks

Two years ago at Chamnade a summer reading program was inaugurated. However, when the students returned in the fall, it was discovered that many of them had not been able to get the books. Therefore, last year all the required summer-reading books were made available in pocket-book form.

The pocket-books were heartily welcomed by the students, since they provided a simple and cheap way to acquire the books. The popularity of the books soon spread, and Brother Frank Klapp soon started using them in his English classes. The other English teachers soon followed suit.

The advantages of pocket-books were recognized by all the teachers, and soon the pocket-books had spread to Brother Ray Davenport's Junior History class. The sixth give the Sodalist an idea of what to look forward to after college, and how to remain a good Sodalist as an adult. It will be conducted by Father John Dickson, S.M. There will also be a panel of adult Sodallists to tell how they made the change from school sodality to the parish sodality. It will be held in St. Louis.

grade is now studying Charles Dickens' *Christmas Carol*. The Freshman History class is reading *Ben Hur*. There is also a possibility that the pocket-books might find their way into the Science classes.

In order to make it easy for the students to get these books, the library has purchased a supply of all of them.

Other books beside those being used in classes were also purchased.

The library now has well over a hundred titles on hand. They range from such classics as *Wuthering Heights* and *Jane Eyre* to popular adventure books such as *Girl Trouble* and *Pilot Man*.

BUZZ BOOK

This year the Student Council once again is sponsoring a Buzz Book. It consists of the names, addresses, and phone numbers of all the high school students. In the front of the book the names of the faculty are listed. The books cost thirty-five cents each, and there is not any limit to the number of books one can buy. Everyone is expected to buy at least one. The books are on sale now.

Students Enjoy Basketball Rally

The first pep rally of the basketball season was one of the most overwhelming displays of Chaminade's school spirit which is particularly gratifying because of our record to date. The assembly opened with the National Anthem and the singing of "Esto Vir."

Bro. John Haug proceeded to award the football letters, starting with the Preps up through the Varsity. This year special recognition by the Catholic League was given to Pete Knese, who was voted to the first All-Star team. Jerry Murphy, also on the first team; and Ralph Sebacher, voted to the second team. Senior A received the Spirit Trophy, while Sophomore B was the runner-up.

The cheerleaders introduced two new cheers, one with a Latin bent and the other an adaptation of the popular song, "Bo Diddley," substituting the words, "Go, you Flyers" for "Hey, Bo Diddley."

Then Bro. Ray Davenport was called upon and he cleared up two questions, the first being, "What is wrong with the team?" In answering this question, he partially blamed himself, saying that he made the tight schedule, but added that the team was giving their all, and the least we could do was to back them with the same spirit. Then, in answer to the question, "What are our chances against St. Louis?" he committed himself, as he rarely does, and said that if he were a betting man, he would bet on Chaminade.

Next Bro. Ray introduced the team, with Knese at left forward, Nolan at right forward, Korak at center, Van Uum at left guard, and Carmody at right guard, plus Fitzwilliam and Brangle as utility men, and many other Junior hopefuls. Father Blume blessed the team and wished them well.

Seriousness gave way to comedy as the Seniors put on a skit, with Mike McCarthy as Sydney M. Porter interviewing various members of a British community.

Bro. Ernst spoke of the record of good conduct, reminding us that

HINCKLEY HEADS BOWLING LEAGUE

A bowling league has been organized at Chaminade through the efforts of Mr. Charles May of the Arena Bowl. The original response to the idea of a student league was tremendous, much too great in fact to be lasting.

However, about a month has passed since Mr. May originally made his offer, and a league has been organized. The league bowled for the first time Saturday, Dec. 5. Nineteen were present, so the league was organized with six teams, five of which have three members, the sixth consisting of four. The officers elected Saturday were as follows: President, John Hinckley; secretary, Michael Morris; treasurer, Harold Wills. The high man for the day was John Hinckley with a 577 series. High team was number five with a total pin count of two thousand and a total pin count of 2036.

It is hoped that the membership in the future may be built up to six teams of five members each. The fee involved is one dollar per week. Anyone interested in joining should contact John Hinckley.

we should maintain this standard, and with the singing of the "Victory Song," the pep rally came to a close.

Who said Greg isn't cute!

Whose Birthday?

There is one thing in this changing world we can be sure of: Christmas throughout the world will always be in existence. But how will it exist? Will it have a religious significance, or will it be overwhelmed by the glitter of trees and paganistic Christmas cards?

How about these Christmas cards? At this time of year the merchants are again displaying racks upon racks of Christmas cards portraying dogs, snowmen, Santa Claus and his reindeer, and other ideas that are a far cry from the true meaning of the Birth of Our Saviour.

What is the true meaning of Christmas? It means that with the birth of a child on a cold winter night, a new and revolutionary change was to occur. Man was to change his whole way of life. Formerly they had been living in a world of sin. Man now started to live with a constant awareness of the roots of evil. One such evil which leads us from the love of Our Lord is the consent in buying these unreligious Christmas cards.

(Continued on Page 8)

Speakers Speak Again

Another successful season for Chaminade in C.I.S.L. is well under way. We seem to have a winning combination in coaches this year. Brother David Wolk is taking the humorous and serious interpretation, and Brother Frank Klapp is coaching original oratory, non-original oratory, radio, and extemporaneous speaking.

The team this year consists of J. Wick and J. Walsh, in non-original oratory; G. Lombardo and R. Wander, original oratory; B. Povich and R. Carroll serious interpretation; M. Morris and H. Wills, humorous interpretation; T. Kutis and L. Cook, extemporaneous; S. Hartenbach and J. Murphy, radio.

In the first meet, held at Fontbonne College on Nov. 7, there were five superior ribbon winners, J. Walsh, R. Wander, G. Lombardo, H. Wills, and J. Murphy.

DO YOU AGREE?

Do you think Charles Van Doren was justified in his actions? This question was asked several students in each high school grade. Below are the opinions.

T. McGowan, II-B: "No, I don't, because the show was rigged, and he deceived the public, who held him in such high esteem. The scandal he participated in has shaken the confidence of the public in all quiz shows, even the good ones."

J. Ketzner, IV-B: "Yes, I think he was justified in continuing on the program, because I like the guy."

J. Bresnahan, III-A: "No, because it was dishonest, and wasn't against the law at the time, but against the moral codes."

J. Murphy, III-B: "No, because he knew he was participating in a scheme to fool and cheat the public."

D. Maginn, III-C: "No, because the only defense for his actions was that the producers of the show told him it was entertainment, and I don't think a man of his background could have believed such a thing. He was told the answers to the questions, and his opponents weren't told anything. He made fools of his opponents and of the American public. If it had been entertainment, such as card tricks, wrestling, and the like, the public should have been told. It is bad business to make fools of T.V. fans."

R. Grunzinger, II-C: "No, because it could have gotten him into a lot of trouble, and he should have known that he would be found out."

J. Kearney, II-A: "Yes, everybody likes money, and I guess he figured that was a good way to make some."

J. McGowan, I-B: "No, he should have figured out that if the show was found out, he would be caught and his name ruined."

L. Stephens, I-C: "No, I don't, because it was unfair to the public."

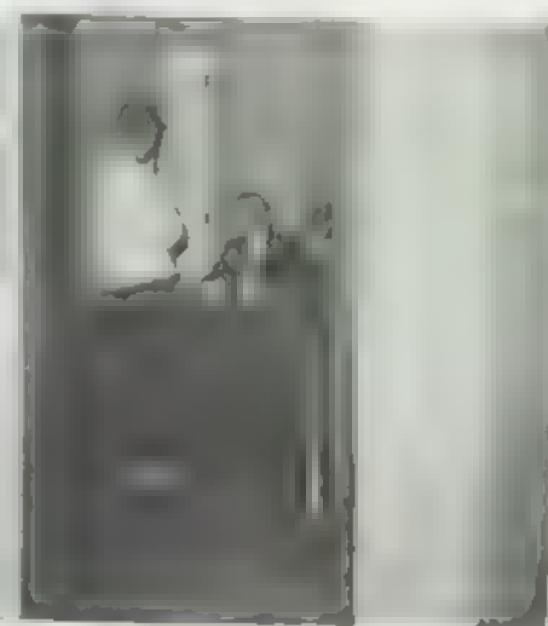

What is your opinion? Is it a matter of opinion?

PARTITION BUILT IN PRINCIPAL'S OFFICE

During the last few weeks I have had a very hard time keeping my mind on the interesting discourses on electrical phenomena in Physics class. The source of all my distress has been that I couldn't figure out what was going on in Brother Ernst's office. I noted that our industrious working Brothers—Brother Arthur and Brother Edmund by name—were quite busy in the office assembling something which resembled the chair room at Sing Sing. On making several inquiries as to the nature of the project, I was told that a private office for the use of Brother Robert Ernst, our principal, was being constructed. On the day of the completion of the project I dropped by the office,

and I noticed that the Brothers were installing an electric switch on the wall—you know, like the one on the wall of the chair room at Sing Sing. When I asked Brother Robert what the switch on the wall of the chair room—I mean the office—was to be used for, he replied, "It turns on the lights." We shall see. We shall see.

—Len Batterson

Brother Ernst explains necessity of private office to two freshmen

FOR MEN ONLY

Our attitude towards study tends to support one faculty member's view that students at Chaminade, especially the better students, lack intellectual initiative. We have a school in which the good students do what is demanded of them; and the rest of the students are, on the average, better than those in a public school. That is because those who are not the better students are coerced, whereas the public school students are not.

Our teachers do all in their power to help us, but we must learn to help ourselves. We must learn to educate ourselves for education's sake, not for grades, not because of "the big stick." It is such failure to grow up that causes students to fall out of college.

Is it possible that some of us are failing to live up to the name of "men of Chaminade"? Unfortunately, it seems to be so. Would men have to be forced to do things necessary to a well-rounded education? Would men only attend movies and plays for fear of failing a subject for a term? I believe men would learn because they thirst for knowledge. Chaminade has a fine scholastic record. Let us be vigilant students, questing constantly for knowledge, that scholastic records may be upheld.

SPIRIT WHEN?

It's not often that any team fielded by Chaminade has any cause to complain about spirit. They have cause now! Ten fans and six cheerleaders, no matter how loud they cheer, cannot and will not cause any gym to reverberate. The Flyers have come to expect student support. Chaminade has always been noted for this. It does not necessarily follow that Chaminade will maintain that reputation. If the support we have been giving the Flyers is any indication of things to come, then we're well on our way to ruin.

This year's team has not gotten off to a good start. Neither has the attendance. When the Flyers must play before strangers, minus their own cheering section, then from the point of spirit's effect on play, not much can be expected. November 23, opening game against Festus in the Borgia Tourney. Opening game, mind

you! Number of operators: twenty-four. Sure the game was away, but the team had to travel the sixty miles. Then the Marquette game. We really pushed ourselves that time. Counting the B-team fans, there might have been fifty fans. At Mercy, some students made the supreme sacrifice of going ten miles to see the team play. But then, instead of sitting in a solid block, we allowed a hundred or so to intersperse themselves among us and ruin our cheering. Next game, Laboure, December 4. The few fans who came brought back some of our fast fading reputation. The game against the Junior Bills from S. L. U. H. brought a fairly large crowd. This was a home game. It's easy to attend home games. But away games count in the won-loss records.

Yes, there is spirit. But where?

When do we get to hear it? "Well, we have so much homework." There is time after school to do most of it, if not all of it. And the basketball team that practices three or four hours every night never has any homework. They get that dazed look in their eyes from sitting up until two or three in the morning reading comic books.

Sure, cheering won't help a team that doesn't practice. But far and away this year's Flyers have practiced longer and harder than previous teams. They deserve backing which they have yet to receive.

Perhaps the Flyers have allowed themselves to become spoiled. Perhaps the team should be warned not to expect many fans at away games. Please try to start coming to ball games lest the world, and the team, forget there is such a thing as a Chaminade basketball fan and a school called Chaminade. The cheerleaders are getting to feel lonely.

—Jim Bozdech, Mike Morris

LET'S LOOK AT THE RECORD

BRO. RAY DAVENPORT

Brother Ray needs no introduction to Chaminade fans. Bro. Ray, Varsity coach, is able to speak from experience when he coaches. Brother's actual playing experience is limited to two years of basketball while attending McBride High School here in St. Louis. In his

junior year he joined the Brothers of Mary.

Brother's first coaching assignment came at St. Michael's in Chicago, where in four years he had a composite varsity record of 80 wins and 42 defeats. In those four years his teams copped 12 trophies.

Then in 1955, Brother Ray came to Chaminade. He coached the C-team to records of 14-7 and a terrific 20-3. In the season '57-'58, Brother took over the varsity, finishing with a respectable 17-7 record with a 2nd place in the De Andreis Tournament and a 4th in the Clayton Regionals. Last season, one of the best in Chaminade's history, saw Bro. Ray's Flyers finish with a strong 23-7 ledger. In pre-season play, the Flyers took 3rd place in the Borgia Tournament, and then went ahead to take 1st place in the

Preps Begin

The eighth grade Preps, under the capable coaching of Brother Louis Meinhardt, S.M., are off to a great basketball season with a 2-2 record. The first string consists of Ed Czebrinski at center, Frank Gruchalla and Frank Scudder at forwards, and Dan Green and Joe Dirnberger at guards.

Maplewood Tournament. The Flyers shared the Catholic League championship with Cathedral and finished out the season by taking a 3rd in the St. Charles Regionals.

Brother Ray's record as a coach is truly an unbelievable one. In six years of Varsity and two years of C-team coaching, his teams have compiled a fantastic 154-66 record.

COLD FLYERS DROP SIX - NOW AT 3-7

Above: Charlie Nolan leaps high for shot against S.L.U.H.

Right: Pete Knese takes a whack at blocking a shot.

LABOURE WINS

The Laboure Lions helped to keep the Flyers in their tailspin as they landed them their fifth straight loss, 63 to 66. The Lions' victory over the Flyers in the Borgla Tourney continued their mastery of the Flyers as they overcame an early Flyer bulge.

ST. LOUIS U. HIGH

Tight as they did, the Flyers could not overcome the powerful Jr. Bills. The final score, 71-51, did not reflect the course of the whole game. Had the Flyers matched their second half effort with a comparable first half, there could have been a different score. Sparking the Flyers was Robbie Van Uum, who continued his hot shooting and led the Flyers with 20 points. George Fitzsimmons, Louis's forward, poured in 10 points to lead the Jr. Bills.

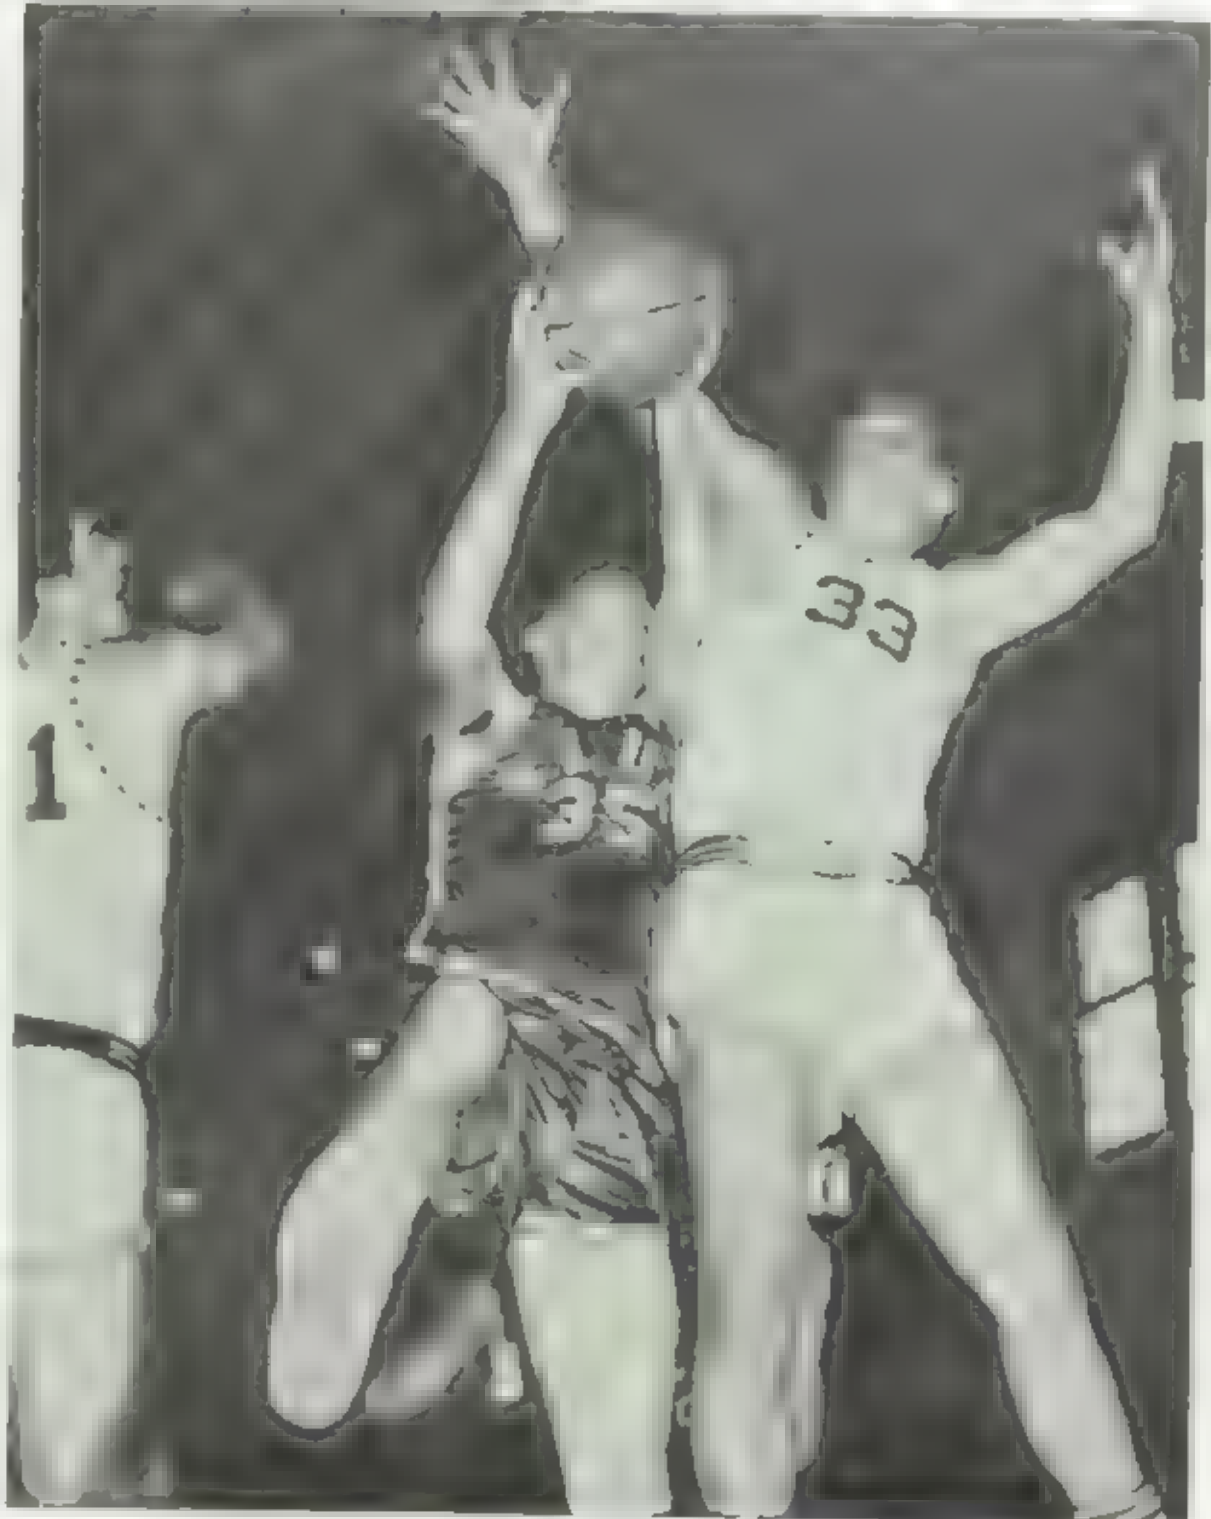

FRESH TEAM

The freshman basketball team chalked up its first victory under the fine coaching of Brother Cyril Boschert, S.M., on December 1 by defeating St. Francis de Sales 30-21. Bob Placht was high scorer with 18 points.

Marquette, a team that proved last year that it would soon be tough, showed our Flyers just how tough they would be. The Flyers, trying to keep up with a tough schedule, found the Explorers a little too good. The Flyers came out on the short end of a 77-71 score. Leading the Chaminade team was Bob VanUum, who scored 20 points. Behind "Poopsie" in scoring were Charlie Nolan and Jim Korak both with 11.

MERCY

On Tuesday, Dec. 1, Chaminade weary Flyers lost their fourth game in a row to the powerful Mercy Bulldogs, 83 to 48. The Flyers were obviously cold, and were powerless as they succumbed to the Bulldogs' hot shooting.

Chris' Corner

Fitzwilliam: "I ran over a milk bottle this morning."

LaVigne: "Didn't you see it in time?"

Fitzwilliam: "No, the kid had it under his coat."

• • •

A fugitive scientist from a Boris Karloff horror picture dreamed up a serum that would bring inanimate objects to life. He surreptitiously tried it on the statue of the great general in Central Park and it worked. The scientist was overjoyed. "Now tell me, General, what are you going to do?"

"That's easy," rasped the general, ripping his revolver from his side holster. "I'm going to shoot about two million pigeons!"

Watch out for school children on the street — especially if they're driving!

If your girl friend wants to learn to drive, don't stand in her way.

America is the land of untold wealth, says the Income Tax Bureau

B-Team At 2-2

Despite their two and two record, the B-team is looking forward to a bigger and better season. Some of their more important foes are C.B.C., Assumption, and Cathedral

Their first game was with Marquette. CC lost this game by 19 points. Tom Becker led the team in scoring

Mercy High was the B-team's next opponent. The Beezers, playing better ball against the Bulldogs, won 40 to 22.

Against Laboure the B-team won their second game. A hard-fought game resulted in a 45 to 23 victory for Chaminade.

The first home game was against St. Louis U. High, the Beezers losing this game by the score of 32 to 44.

Congratulations,

RAY WANDER

Winner First Round American Legion Oratory

Flyers Take Fourth Place

As the final buzzer sounded in the game against New Haven, our Flyers had to settle for fourth place in the 1959 Borgia Tournament. The Flyers played well in their first two games against Festus and Owensville, as they won by scores of 80-53 and 79-76. Then in the semi-final game against Laboure, our Flyers suffered a 69-65 setback. In the finals for third place, a very tired Chaminade five went down to a 55-51 defeat at the hands of New Haven.

On the night of Nov. 24, Chaminade opened the '59-'60 basketball season by crushing Festus 80-53 in the opening round of the Borgia Tournament. Chaminade took the lead from the opening buzzer and was never behind. The combination of balanced scoring, good defense, and fine working of the fast break proved to be too much for the Festus representatives. Bro. Ray got everyone into the game as the balanced scoring saw all five starters in double figures, with Charlie Nolan and his 19 points taking high point honors.

Nov. 26, the Flyers came up against a very good team from Owensville. Owensville held a 14-41 edge at the half, but in the second half Chaminade came from behind to take an exciting 79-76 decision. The offense, led by Bobby Van Uum's 25, carried the team over as the defense slackened a little.

The Flyers led at the end of the first quarter, but then the tough scheduling caught up with them. Still tired from the previous night's action, Chaminade lost a close decision to Laboure 69-65. Pete Knese kept the Flyers in the game with his steady rebounding. Jim Brangle was high man with 13, and Jim Korak netted 12.

On Nov. 28, Chaminade came up against New Haven, the Class S State Champs for the last four years. New Haven, led by their star forward Scheer, who scored 20 points, proceeded to rack up 55 points to our Flyers' 51.

But we can still do something about it. We can all try to keep Christ in Christmas. Instead of giving these so-called "Santa Claus" Christmas cards give Catholic Christmas cards. Also, on Christmas Day make sure that you and your family try to attend three Masses and receive Holy Communion. After all, whose birthday is it, Christ's or Santa Claus's?

CHAMINADE COLLEGE

CLAYTON, MISSOURI

CHAMINADE COLLEGE

FRIDAY, FEBRUARY 19, 1960

NUMBER 4

Wander Retires American Legion Oratory Trophy

On Sunday, January 10, at the Maplewood-Richmond Heights High School, Ray Wander captured the county championship American Legion Oratory victory and retired the large traveling trophy, sponsored by the 10th District American Legion. Interestingly enough, this trophy was won in '56 by Ray's older brother, Barney Wander. This is the second such trophy won by Chaminade in its 12 years of American Legion oratory.

The contest is in two parts. Each participant has to have two speeches, one prepared and one impromptu. The prepared talk must last between 5 and 6 minutes. The impromptu talk must last between 4 and 6 minutes. Ray's prepared talk stressed the difference between the Russian and the American, emphasizing the distinction between individuality and personality. In the extemporaneous talk, Ray spoke on Article 16 of the amendments concerning income tax.

Ray Wander with trophy he recently won for Chaminade

CHAMINADE BOASTS THREE SERRA ESSAY FINALISTS

Essay Finalists, (left to right): Leonard Cook, Jim Bozdech, Louis Hulshof

Chaminade is proud to announce that it has three finalists this year in the Serra Club essay contest. The theme of this year's essay was, "How Can I Serve God Best With a Religious Vocation." James Bozdech, a senior, came in first and received a one hundred dollar United States Savings Bond. Louis Hulshof, also a senior, came in second. Leonard Cook received honorable mention.

Ray has certainly done a commendable job in representing Chaminade and the Fulton Sheen Club. We congratulate and praise him.

In CISL work, the Fulton Sheen Club again maintained its fine standings of the past. In the previous meets at Fontbonne, Maryville, and Webster College, the combination of experience and young blood proved very successful. Ray Wander and John Murphy both were awarded bronze medals for their overall work in oratory and radio, respectively. Ribbons for superior speech work throughout the season were awarded to Jerry Walsh, Joe Wick, Leonard Cook, Ray Wander and John Murphy.

The Serra Club, whose purpose is to increase vocations to the priesthood and religious life, held a dinner for the winners on Wednesday, January 27, at the Coronado Hotel. Present at the dinner were the winners and their parents, members of the Serra Club, and Archbishop Ritter. The invocation was given by the Serra Club moderator, and after the dinner a short talk was given by Archbishop Ritter.

DEBATERS SUCCESSFUL

The debate team, consisting of Jerry Walsh, Bob Leggat, Bill McBride, J. P. Murphy and Dick Motherway (substitute), has thus far piled up an enviable record. The negative team of Bill McBride and J. P. Murphy is so far undefeated.

In the first meet, held at St. Louis U. High, the team won four and lost two; at the Clayton Invitational meet, they lost one and won three.

At the first CISL meet the team split, winning and losing three. Also at this meet Jerry Walsh won a "superior" ribbon.

YOU, THE MEN OF CHAMINADE

Chaminade is more than a name. It is more than a school. It is a spirit. It is the spirit that has been known in these hallowed halls for the last forty years. It is the spirit shown when a freshman, on the first day of school, asks directions to the homeroom of a senior. "Why, sure kid, 212 just door on your right." It is the spirit that is noticeable when we hear the chant, "Yea red, yea white" at a pep rally. It is the spirit of the seniors singing "Chaminade, Dear Chaminade" at graduation.

It is the spirit of the spectators at a basketball game, who sing the victory song when Chaminade has bowed by a score of 71 to 51. We may not have won the game, but our spirit was indomitable. The spirit shows itself in a study hall full of freshmen, working hard trying to get on the first term honor roll. It shows itself in the homeroom without a supervisor, as quiet and orderly as the rest. And more than anything perhaps, it is shown in our team's fighting for that last yard in football, those last two points in basketball, that decisive run in baseball, or that first place that is all-important to the team in track.

It is the spirit of Bro. Pete when he says: "I can stand almost any kind of defeat, but I like to see the boys really play well." When he said this he was standing in a drenching rain at a C-team football game which we were losing. Of course this spirit is most evident in our student noon rosary. Over the years the spirit of Chaminade has grown into fame city-wide.

Yes, over the years we, the students of Chaminade, have built up a spirit. That is, until this year. For this year the spirit typical of a Chaminade man has fallen on an undignified part of its anatomy. Do the students still call themselves MEN? If so, MEN OF CHAMINADE, what happened to that great spirit?

NEW CHAPEL

Father Blume tells us our parents have shown a tremendous interest in the plans and construction of the new chapel, and, up to now, have subscribed almost \$25,000 towards it. However, an additional \$20,000 will be needed to complete the shell of the building. The chapel will be conventional in style, except there will be practically no walls but all roof. The needs of the underclassmen and the number of sodalists determined the size. The chapel will seat 200 and will be open all day to encourage the boys to make visits to the Blessed Sacrament, to say their noon rosaries, and for any other religious activities the students desire. As of this writing, there are 136 families who have joined the Chaminade Hundred Dollar Club, and we are hopeful that all will take part, even if not to the full extent. The date of ground-breaking has not been set, but it is hoped that it will take place sometime in February. The location of the chapel will be in the square between the dormitory and the faculty building. The goal is to have our new chapel in use before the end of this year 1960.

A CATHOLIC EDUCATION?

Every year hundreds of Catholic youth lose their most prized and cherished possession, their Catholic faith, to a snarling monster known as a secular education. Is this loss necessary when the Catholic student, if he so desires, can attend any of the fine Catholic Universities just as easily as he can attend a non-Catholic college?

Often one is tempted to offer many "good reasons" for attending a non-Catholic University. They say they wish to attend a fine "prestige" college. Where is there a finer college with more prestige than Georgetown, Notre Dame, Holy Cross, or any of the other better Catholic universities?

Mid-Term Exams: Necessary Evils?

In many schools in and around St. Louis a student may be exempted from examinations if he or she maintains a high enough average during the semester. This system seems very desirable to many. Let us delve into the pros and cons of it. First, reason its advocates, if a student carries a 90 or above average he knows his subject matter and semester examinations are somewhat superfluous. Secondly, this system presents an incentive for the student to apply himself to his studies all year round. Those against this system argue in this way: First, exams in themselves are very helpful to the student, the extra study and review is an excellent way for the student to tie together an entire semester's work. And since anyone who is honest with himself will admit that the basic reason for attending school in the first place is to learn, then he must also admit that preparations for his examinations helps him to learn and re-learn much of his subject matter. Another advantage is for that student who is striving for a college academic scholarship. Because of the fact that it is virtually impossible to keep a constant 99 or so average during the year, the examination is a great boon to this type of student, rare as he may be.

Before you have been laid pros and cons of the subject. What is your opinion? Do you think exams are necessary? Probably, when you apply this type of system to Chaminade it becomes apparent that it would be contrary to the very purpose of the school because Chaminade is a preparatory school, and to neglect this most powerful means would be impractical.

Another argument is the restricted campus life. Only a fool would think along these lines. A person attends college to obtain an education. His education is obtained in the classroom and not in the barroom. Thus we come upon the reason the Church makes it obligatory to get the permission of a bishop to attend a non-Catholic college.

Radio Activity At Chaminade

Sophomore Tom Gipson and Bro. David O'Hearn, S.M., newly qualified hams, look over radio equipment.

Last November Brother David O'Hearn and Thomas Gipson (a sophomore) were among several applicants, who were taking examinations in the St. Louis Federal Building, to become General Class Radio Amateurs. Upon completion of a rigid test on the Morse Code, and a written examination, Brother Dave and Tom passed with flying colors. We are proud that Chaminade boasts of such accomplished radio men.

There are two requirements for the General Class license. These are: 1, the ability to send and receive international Morse code at a speed of not less than thirteen words per minute accurately; 2, knowledge of Federal Communications regulations and radio theory. This license entitles the holder to operate an amateur radio transmitter up to one thousand watts of power on specified bands. The license grants all the privileges regarding frequency, type of emission, power, etc., that an amateur can have.

AN OLD FRIEND

In nineteen hundred and fifty-eight Chaminade discovered a valuable object of very great weight. It weighed some two hundred pounds. But it produced some terrific sounds.

The other members of the Radio Club, as well as Brother Dave and Tom, have Brother Eugene Meyer, their moderator, to thank for instruction in radio theory, which knowledge is required for any class of amateur license.

Congratulations, Brother David O'Hearn and Tom Gipson!

Student Councils' Seminar Attended

This year the annual Student Council meeting was held at St. Joseph's Academy on Sunday, January 24. At this meeting eight schools were represented. The meeting started with prayer, and then the different schools discussed the works and new ideas of their Student Councils. The three phases of Student Council work were academic, spiritual, and social. They also discussed their different Student Council constitutions and the problems peculiar to their own school. After the meeting was over a dance was held.

Other schools have horns that go toot, toot!"
But they are really not worth a hoot
When compared with the din that joins our yell
When we are accompanied by our victory bell. "ROKI"

A TRIBUTE FROM THE BENCHWARMER

The following story appeared in the *Globe-Democrat*, written by Bob Burnes, sports editor. It depicts a side of the late Bro. Rabbitt that not many Chaminade students knew our treasurer possessed. With Mr. Burnes' permission, his article has been reprinted here.

"We are sure we are echoing the sentiments of many graduates of the various Brothers of Mary schools in the area in expressing our sympathy to his family on the death of Brother Dan Rabbitt, one of the great people (of sports).

"One of the most humble and self-effacing men we have ever known, Brother Dan was a remarkable teacher who had a way with boys . . . You never saw Brother Dan alone . . . In the classroom and out of it, he was always surrounded by the boys who knew him and loved him.

"Without seeming to do it, he could whip up enthusiasm for a project far beyond anyone's belief . . . Some years back, when he returned to McBride, he started projects for getting more attendance at football games . . . One in particular was for a game with Assumption, then Central Catholic in East St. Louis. Brother Dan decided the football team couldn't invade the wilds of the east side unescorted . . . He organized a motorende, suggesting that there should be at least 50 cars in the caravan . . . When 50 were spoken for, he upped the number to 100, kept doing it until he had 300 cars lined up . . . Then qualms struck him.

"'It just dawned on me that I didn't know where these cars were coming from,' he said whimsically. 'I hope none of the boys went to any unusual trouble to get one.'

"Only once did we ever hear of Brother Dan failing in a project.

A lifelong soccer fan, he thought that one of the reasons interest in the sport was dying out was that there wasn't enough

(Continued on Page 8)

Sodality Convention Held At St. Mary's High School

On Saturday, January 23, 1960, the sodalities of 19 various high schools of St. Louis and St. Louis County gathered at St. Mary's High School. The topic of the day was the "Sodality Way of Life." The "workshop," which the affair was called, began at nine o'clock with registration. Between nine o'clock and 11:30, there were talks for either of the two groups into which the groups had been divided. Group 1 listened attentively to the interesting talk by Fr. Dickson on "The Sodality: A Way of Life." Group 2 enjoyed the speech by Miss Donna Judd of Dayton University on the Sodality's "Problem of Adjustment."

At 11:50, a delicious lunch was served in the cafeteria for Groups 1 and 2, respectively.

At 12:30, the groups switched to hear the other speaker. Group 2 listened to Fr. Dickson and Group 1 heard Miss Judd's most inspiring talk. At one o'clock, individual groups conducted their own discussions. At 1:45, secretaries made reports on their various individual group discussions. At 2:15, there was conducted a panel discussion. Those on the panel were Miss Janet Rosenthal, a nurse at St. John's Hospital; Mr. Randy Gross, a student at St. Louis University, and a recent graduate of Chaminade; Mrs. R. Cornell, a housewife who belongs to the sodality at St. Peter's Parish in Kirkwood, and Mr. A. Conley, president of the Archdiocesan Council of Catholic Men of St. Mary Magdalen's Parish.

Each contributed an inside report on each phase of sodality work after high school and college.

At 3:15, final reports were given and this was followed by dismissal. One of the four who gave a final report was our own Jerry Walsh. Jerry presented a very awakening deliverance.

The president of the St. Louis Sodality Union, who was the master of ceremonies, is Mike McCarthy of Chaminade.

BROTHER MEYER ATTENDS ANNUAL PHYSICS CONVENTION IN NEW YORK

Brother Eugene Meyer, S.M., left Chaminade on Tuesday, January 26, to attend the annual physics convention, held in New York City.

Bro. Meyer

The convention, which lasted from the 27th until the 30th, was held in the Hotel New Yorker. Thirty-five hundred physicists, being either members of the American Physical Society or members of the American Association of Physics Teachers, attended the convention. Its purpose was the exchange of ideas in the fields of research and teaching.

The AAPT devoted a day to

a new physics course, which was prepared several years ago by the Physical Science Study Committee. At the present time this course is being taught at Chaminade. The chief difference between this and other courses is that the students learn physical laws and relations by working experiments in the laboratory. Other physics courses do not rely as much on experiment, because students are given the formulas to memorize instead of discover.

At a general session a talk was given by Doctor James Van Allen, a noted United States physicist. In 1957, Doctor Van Allen discovered the two radiation belts that surround the earth like doughnuts. This discovery was facilitated by the use of Army explorer satellites.

YEARBOOK COMPLETED

"Ah! Finished at last," sighed the Annual Staff. Senior Editor Mike McCarthy and Assistant Editor Gary Lombardo have completed this year's book, which will be out in the middle of May. From a few of the layouts that were planned, it appears that the staff has turned out another and even greater book than last year's.

But the credit is also due to other members of the staff! Bill Bland and Larry Fikes, the junior editors; and Charles Schaffar and Dick Bauer, the new sophomore aspirants to the staff, deserve some praise. And of course much credit is given to the photography department, without which the yearbook would be at a great loss.

Next year Chaminade will be celebrating its Golden Jubilee marking the completion of 50 years of existence. The editor of the book next year will be Bill Bland, and Larry Fikes will be assistant editor; already they are planning on an extra attraction in the book to celebrate this great memorial.

After asking the editorial staff for any comments about this year's book, they replied, "A yearbook is not only to serve the school as

WHO ATTENDS SOCK HOPS?

Following the basketball games with Cathedral High of Belleville and Coyle of St. Louis, a sock hop was held in the gym. Although there was a large crowd(?) at the games, only eighty-five people or less, deemed it necessary to attend.

The Dance Committee must have been very disheartened at the weak attendance, for no one likes to work for something and see it fail.

Although some students must get home early after the games, the majority have nowhere to go except Schneithorst's. It seems like a sock hop would be much more fun than food any time.

Unless everyone attends these hops, the Dance Committee will have to cancel the remaining dances, and the juniors will also have to pay through the nose for the prom.

a credit, but to serve the senior graduates as a lasting recollection of their high school highlights. We feel that the yearbook has done just this; it will serve as a cherished award of our becoming men, and of the men who made us this way."

BAND SWINGS

The Chaminade Concert Band, under the direction of Mr. Kenneth Schlebal, has added new popular, novelty, and march numbers to its repertoire for the annual spring concert.

The band, which numbers 58 musicians, is practicing daily in order to be ready for the spring event.

The Concert Band is sponsored by the Chaminade Mothers' Club. In recent years guests at concerts have remarked that the band looks as good as it sounds. Credit for the sparkling red uniforms goes to the mothers, who have provided funds for uniforms, instruments, and music over the years.

The band not only gives several formal concerts during each school year, but also appears at sports events and at special ceremonies.

So far during the 1959-1960 season, the band has presented a fall and a winter concert in the school gymnasium.

The new officers are: Greg Feherty, president; Bill Cahill, vice president; and Louis Speckart, secretary.

Chaminade also has a varsity band composed of 60 musicians of less experience.

SENIOR "A" SPIRIT HOMEROOM

Members of Senior "A" display Spirit Banner

Senior A has made room 202 the home of the Chaminade Spirit Banner 1959-60, with its sixth consecutive victory. Saturday night, February 9, in the game against C.B.C. Senior A had 82% attendance. In addition to the Spirit

Banner, Senior A won the Spirit Trophy for the football game attendance, and Senior A is ahead in Mission Collections. Therefore, it can properly be called the Spirit Homeroom. We of the Cardinal and White Staff wish to take this opportunity to salute Senior A.

STUDENT BAPTIZED

At 8:15 p.m. on Sunday, January 24, a lasting and memorable event took place at Our Lady of the

Wunderlich

Pillar Church. The event was the baptism of James Wunderlich. Jim's grandmother, Mrs. Wunderlich and Glennon Hrdlicka were his sponsors. The event was the climax of the instructions that Jim has been taking since the beginning of December, and will mark the beginning of Jim's spirit-

ual development in the Catholic Church. All of us here at Chaminade will pray for Jim and welcome him into our faith.

Change in Faculty

Bro. Vincent Wayer (left) was transferred from Chaminade to McBride in January. Bro. Leo Naeger (right), recently returned from Peru, is replacing Bro. Wayer as sixth grade teacher.

ual development in the Catholic Church. All of us here at Chaminade will pray for Jim and welcome him into our faith.

STRONG WORDS ON SPIRIT

Let's face it. School spirit at Chaminade is practically non-existent. The dismal following our Flyers have been able to garner is miserable. Games are so ill-attended that the few who do come hardly make a ripple in a sea. And not only the away games, but home games, usually pretty crowded, have turned into farces. Nobody shows up any more. Students at Chaminade just don't care. Few CC students have been to more than one or two games.

Obviously, there must be some reason. It can't be homework, because there are a few at all the games. Unless these few fans have special privileges, and can get out of work, the rest of Chaminade should be able to come. Besides this, games played on Fridays and

Saturdays are ignored also. And unless somebody has developed a new form of entertainment, there is no reason for such bad attendance.

Unless, that is, the school is so angered by the lack of fight the Flyers have shown. Which, of course, reflects an opinion which can't be based on facts. (However, there are so many students at Chaminade who have never seen the Flyers play that this opinion could easily be spread.) The usual puerile cries will be raised, that cheering has no effect on playing. Never! But then, why should it? Cheering only lets the players know that someone besides Bro. Ray is for 'em. And, possibly, noise won't sink baskets, but lack

of it could help stop baskets. Why should the Flyers fight to uphold the school name when the school won't support them? So far, the Flyers have fought, even though they have never played before a decent crowd (not counting girls, who have shown better spirit than students).

Chaminade plays C.B.C. there. Fair crowd for a school of our size, spectacular for the crowds—ha!—we usually have. Flyers against C.B.C. here, and less people show up than did for the away version. Why? Lousy spirit, less pride. And, of course, if the crowds are small the cheering is bound to be bad, though the "die-hards" who do show, have learned to cheer

C. B. Defeats Flyers Twice

Chaminade conceded the fact that Garrison was taller than Korky, and Friehtaut was hot, the night of January 15. The final score, 97-76, did not truly tell the story of the battle that was fought that night. The facts of the game are as follows: Carmody and Van Uum were high point men for Chaminade with 25 and 18 points, respectively. Friehtaut, who usually scores somewhere around 20 points a game, scored 41, a new school record for Christian Brothers College, the old one being 39. Garrison made 21, making him second high. Chaminade got off to a poor start, scoring 14 to 22 in the first quarter, and 13 to 19 in the second. In the third quarter, we fought them to a standstill, 24 to 23, but in the fourth we slipped a little again, 27 to 33. We were visibly hurt by our height, but that is no fault of ours. Our boys played one of their hardest fought and, I believe, best games. We all know they played their best, and to lose under such circumstances is no disgrace.

B-Team Tops School With 11-4 Mark

With three games remaining on their schedule Brother John's "B" team has built up a 11-4 record. Bob Meyers is currently leading the team in scoring.

C-Team

The Freshman basketball team, sparked by the marvelous coaching of Brother Cyril Boschert, S.M., marched off to a respectable 9 and 5 record. Among these victories are wins over powerful teams from C.B.C. and Mercy.

Preps

The Preps have dropped only three games out of their last ten, losing squeakers to Mt. Carmel 21-17, Holy Redeemer 20-19, and Epiphany 27-21.

On the brighter side, victories were registered over Blessed Sacrament, Christ the King, St. Clement, Little Flower, St. Joe's, Barat Hall, and Pillar.

Then on February 6, the Cadets continued their mastery over the Flyers, racking up a score of 84-65. High point man for the game was Van Uum, who had 21 points. The game was hard fought, as was the first clash.

Score, Dave, Score! Schoelch hits for two, as B-team wins

FLYERS RAISE SEASON MARK TO 10-14

Spider Spins His Web: Robbie Van Uum, Chaminade's record breaker, dribbles down court

One of the few things that are certain these days is that basketball is quickly becoming a big man's game. That's why it is so refreshing to see a small—really small—player make good. Bob Van Uum, small in a big way, has made good in an even bigger way. The climax of his "little" story came against McBride, when he dumped in 33 points, breaking a school record set two years ago by Kevin Kearns. More laurels were added when, on Feb. 17, Poops broke the record for most points in a year with 22, setting temporarily the mark at 373 pts. Bob Bitter held the old record of 372.

Out on court amidst the giants, "Poopsie" has only to get the ball and all eyes are upon him. And it's seldom that fans don't get the show they expect from him. His drive in lay-ups have made him famous, and some of his more bizarre shots, which have a happy habit of going in, delight fans—

and help win games. The ability Bobbie has of circling around his opponents and stealing the ball has helped him score with many a lay-up. Besides his ability to pump in baskets, "the Spider" (a nickname his smallness has earned him) has fed his back line partner, Don Carmody, many times plus the rest of the team. "Poops" also has the added ability of a Juan Perez—like skill at dribbling over, under, around, and through one, two, as many as five players, plus being able to freeze the ball when called upon.

Bobbie has, of course, helped the team, but he's not the only player. Charlie Nolan, Pete Knese, "Baby Huey" Korak, Jimmy Brangle, and all the rest, have fought hard and long to make this year's Flyers the aggressive team it is. But, as we said, it's nice to see the small man ~~as~~ as well as the giants

Jan. 6—De Sales

The Flyers, after a twenty-five day layoff from Dec. 12 to Jan. 6, were beaten by De Sales 71-65 on the winner's court. Chaminade held a 35-32 lead at the half, but an inspired De Sales team went on to outscore the Flyers 39-30 in the final two periods. The scoring was evenly distributed, with Bobby Van Uum, Don Carmody, and Charlie Nolan all scoring 12 points. Gruener, with 21 points, was high man for De Sales.

Jan. 8—Coyle

The Coyle game was a turn around of the De Sales game, as the Flyers came from a 22-20 half-time deficit to overcome Coyle 50-43. The Flyers won the game on free throws, where they held an 18-5 edge on the Cougars. Nolan with 17, was high point man, but once again Van Uum played an instrumental part. With three minutes remaining on the clock, Van Uum froze the ball with some clever dribbling and drew several important fouls.

Jan. 12—Duchesne

On Jan. 12, the Flyers returned home to defeat Duchesne 74-53. This victory was one of the best games played by the Flyers this season. With the fast break working well, our two guards, Carmody and Van Uum, scored 16 and 14 points, respectively. Jim Korak played a good game, as he pulled in 14 rebounds as well as scoring 12 points. Nolan also tossed in 12 points.

Jan. 17—Assumption

In one of Chaminade's more impressive games of the year, our Flyers defeated Assumption 66-48 for their third victory in four starts. The Flyers looked good, as the fast break was working very well, and we controlled the boards from a bigger Assumption team. The Flyers literally ran Assumption off the floor in the third quarter by outscoring them 20-7. Charlie Nolan was high man with 20, and Jim Korak and Bobby Van Uum each scored 15 markers.

PING-PONG TOURNEY

By the urging of Charlie Nolan, and under the capable direction of Pete Knese, Chaminade is once again having a ping-pong tournament. The first rounds are being played in the club rooms in the gym, with the final game taking place before the whole school at the basketball assembly.

(Continued from Page 3)

scoring . . . His solution was to eliminate the goalies . . . The players had a lot of fun, but the idea never had much support elsewhere. In every way, Brother Dan Rabitt was a wonderful and saintly man and all of us who knew him will miss him terribly."

FLYERS TAKE THIRD PLACE AT S.L.U.H.

On the week-end of January 29 and 30, the Chaminade Flyers added a new trophy to the collection as they took third place in the St. Louis U. Tourney.

The Flyers lost the first game of the tourney on Friday night to the Junior Bills. The final score of the game was 76 to 49.

The Flyers were paced by Charlie Nolan, who had 18 points, and Robbie Van Uum, who had 12 points.

On Saturday, the Flyers bounced back to down a spunky Central team before a tremendous crowd of nineteen Chaminade fans.

The Flyers looked like they were going to pull away several times in the game, but they just couldn't get up enough steam to do it.

The final score was 69 to 63 in favor of Chaminade.

The Flyers were again paced by Charlie Nolan, who scored 26 points, and Robbie Van Uum, who added 14.

(Continued from Page 7)

Jan. 22—Cathedral

The Flyers, after their victory over Assumption, were looking forward to this game with their traditional arch-rivals in the Catholic League, Cathedral. The Flyers were leading 17-9 when Jim Korak had to leave the game because of foul trouble. The Crusaders took advantage of this to post a 35-34 half-time lead. The Crusaders continued to rack up points in the second half, and used a big third quarter as a springboard to their 71-60 victory. Dave Hasenstab was high for the game with 22, and Don Carmody was high man for our Flyers with 19.

Jan. 22—McBride

What da ya gotta do to win a game? It certainly was no fault of Bobby Van Uum, as he set a school record in scoring and in addition played a marvelous floor game. The team as a whole hit 50% of its shots, but it wasn't enough as the Micks beat our Flyers 74-71.

FATHER WALTER GOLATKA DIES

Father Walter Golatka, S.M., died at St. Joseph's Hospital in Kirkwood, Missouri, on March 12, at 1:30 a.m. He died at the age of 70. Fifty-three of these years were spent in dedicated service in the Society of Mary. There

FATHER GOLATKA

was a Solemn Requiem Mass on March 14, with Rev. J. McCarty, provincial, officiating. Father Blume gave the sermon and Bishop Leo Byrne gave the final absolution. Interment was in the Community Cemetery at Maryhurst in Kirkwood.

Father was born in Poland in

1890, but emigrated to the U. S. at an early age. He entered the Postulate at Dayton, Ohio, in 1903. First profession of vows was in 1907. He then studied for four years at the University of Dayton. After that he taught at St. Mary's College, San Antonio; Spalding Institute, Peoria; and Chaminade. In 1915, despite World War I, Father went to Fribourg, Switzerland, to study for the priesthood. He was ordained August 3, 1918.

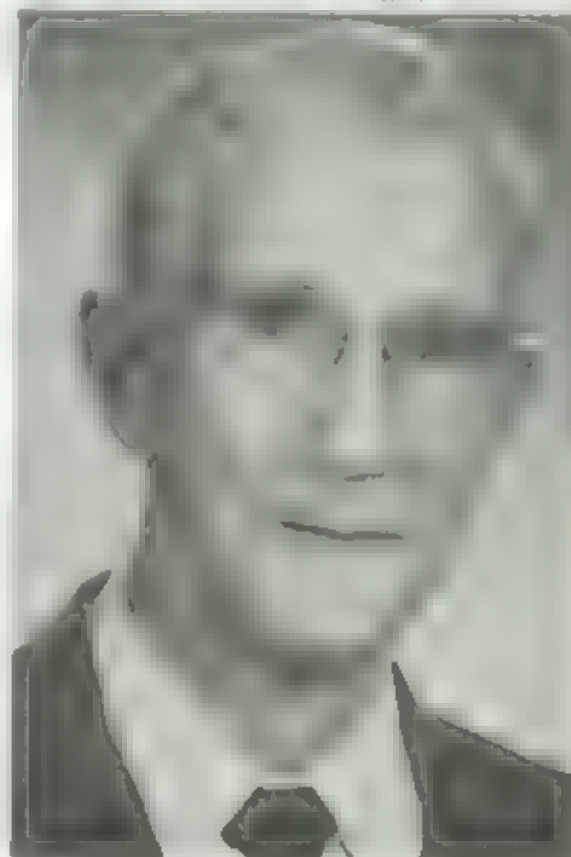

Upon returning to the U. S., Father went to St. Mary's College in San Antonio, where he became a director. From 1927 to '31, he was president of Chaminade. He returned to San Antonio, this time to St. Mary's University. In 1938 he returned to St. Louis, and after a short stay at Maryhurst in Kirkwood, he returned to Chaminade, where he stayed until his death.

Father was very active in the Knights of Columbus, and was three times elected as a delegate to General Chapters of the Society of Mary.

Father is survived by one brother, Stanley Golatka, and two sisters, Mrs. Charles Widman and Mrs. Clara Koehler.

This year, Brother Julius Kreshel, S.M., is celebrating his diamond jubilee, commemorating his first pronouncement of vows sixty years ago, August 26, 1900.

A native of Chicago, Brother

BROTHER JULIUS

Kreshel studied at the University of Dayton. His early teaching career took him to St. Joseph's in San Francisco, SS. Peter and Paul's in St. Louis, St. Mary's College (later, University of Dayton), St. Martin's in Baltimore, and St. Joseph's in Covington, Kentucky.

As time wore on, Bro. Kreshel amassed an impressive array of principalships; among them, he was the last principal of Kenrick High, St. Louis, and the first principal of McBride High School, St. Louis. In 1929, he also became principal of Spalding Institute, Peoria, Illinois, where Fulton Sheen was a student. He was the first president of both the Association of Principals of

HOW ABOUT IT?

We are sure that every Catholic would jump at the chance if, through some miracle or invention, he could be present at the death of Christ on the cross, and see Christ on the day of His Resurrection.

The point is we can do this Not by a miracle, but by just taking time out from our activities to attend Easter week devotions. Since Easter is April 17, we have during our forthcoming holidays a chance to prove our love for God. Will we pass or fail? Will we be a Judas and betray Our Lord? Will we be a St. Peter, promising to be faithful in our love of God, but failing when a real test comes along? Or, will we be a true Son of Mary, standing with her at the foot of the cross, comforting Christ by our presence?

Answer these questions. You know what the answers should be. Are they? If not, start right now in training yourself in the ways of a good Catholic by going to Mass and Devotions tomorrow, Holy Thursday. There's no school tomorrow; you'll have plenty of time. Don't stop with that. There are three more days to the Paschal season.

VOCATIONS NEEDED

With the death of two faculty members at Chaminade, we have become acutely aware of the need for religious vocations to fill the void left by Father Walter Golatka and Brother Dan Rabitt. Each of these men filled an important position and they have to be replaced.

From where are the men to come? The answer has to be, from our own student body. Each one of us has the obligation to give the thought of a religious vocation serious consideration.

Men like Father Golatka and Brother Rabitt are not easily replaced. It is our responsibility to insure that future generations, future men of Chaminade, will receive the same Catholic education that we did.

Ignorance: Asset to Communism

"LET'S SEE NOW, HOW DOES THIS WORK?"

Ten years more, that's about all! Fifteen, maybe, at the most! By then the Reds will have taken over America.

No war. No hydrogen bombs. No mass-slaughter until after the victory has been won.

This grim prospect for America was given by Dr. Fred C. Schwarz and other experts on Communist tactics of subversion. They are firmly convinced that the nation is doomed; that nothing effective is being done to arrest the progress of the great betrayal.

"Peace in our time" — we've heard that before. Bury your head in the sand while Russia enslaves the rest of the world and hope—oh, just somehow—that it cannot happen here!

On July 25, 1959, the American Bar Association report, which was in the Congressional Record, stated:

"The greatest asset the Communists have at present times is not the H-bomb, certainly not Soviet satellites, but world ignorance of their tactics, strategy and objectives. The biggest need today is for the free peoples to develop an awareness of the menace of Communism and the ability to isolate the Communist line so that it can be detected no matter who utters it."

The current Communist line includes the following:

- 1) Weakening of anti-Communist legislation
- 2) Muzzling the F.B.I. and Congressional investigations.

3) The ~~policy~~ of peaceful co-existence)

4) Propaganda—Communists are spending \$3 billion a year on it

5) Cultural exchanges.

"What can I do?" should be your reaction.

You can do plenty, and you have influence, whoever you are, within your own family, your own little circle. Learn to speak up. Learn the knack of polite contradiction. And don't ever be ashamed to sponsor a cause just because it happens to be "unfashionable."

MOTHERS' CLUB FASHION SHOW HIGHLIGHTS SPRING STYLES

J. Bozdech escorts Sandy Louis of Incarnate Word

"Just the Ticket" was the theme of the 1960 edition of the Chaminade College Fashion Show, sponsored by the Mothers' Club, and held on the evenings of Thursday, March 10, and Friday, March 11.

Mrs. Edward Speckart was the general chairman, Mrs. Albert Viragh was co-chairman, and Mrs. Anthony Urban was in charge of decorations.

Scruggs, Vandervoort & Barney of St. Louis supplied the fashions and the Chaminade Band, under the direction of Mr. Kenneth Scheibal, played from 7:30 to 8:00 p.m. each night preceding the show.

The following ladies acted as model models: Mrs. Wm. Bland, Mrs. James Crowe, Mrs. John Dann, Mrs. Louis Budke, Mrs. Donald Dalton, Mrs. V. S. Durbin, Mrs. Walter Gray, Mrs. Charles Hartenbach, Mrs. Joseph Johnson, Mrs. Ralph Dwyer, Mrs. Vernon Fisher, Mrs. Daniel Forrestal, Mrs. Theodore Leibig, Mrs. Lynch, Mrs. Michael Pernoud, Mrs. Robert Schaeffer, Mrs. Russell Smith, Mrs. Albert Viragh, and Mrs. John Wildon.

The junior models were as follows: Joy Fehlig of City House, Kathy Gearhart of Nerinx Hall, Mary Ann Kocurek of Villa Duchesne, Nancy Koke of City House, Sandy Louis of Incarnate Word, and Pat Pfeffer of Sacred Heart Academy.

The junior models were escorted by Charles Nolan, president of the Student Council; Michael McCarthy, vice-president; Pete Kneese, secretary; Bill Cahill, treasurer; James Bozdech, Senior A representative, and Jerry Fitzwilliam, Senior B representative.

SUMMER JOBS SOUGHT

As a new service to the students, particularly juniors and seniors, the Student Council has distributed an information form which seeks information concerning summer job openings in local business firms.

Copies were sent to parents in March, and were accompanied by a message from Student Council President Charles J. Nolan and Moderator Brother Frank Klapp, S.M., explaining that only reliable and competent students will be recommended.

Sophs Study Communism

Brother Urban Heads Two New Study Groups To Fight Red Threat With Knowledge

The Sophomore "A" and "C" history classes have formed two study groups, under the direction of Brother Urban Naal, S.M., for the purpose of combatting the spread of Communism in the United States by knowledge and facts.

These two study groups follow the plan suggested by the Cardinal Mindszenty Foundation, which organizes such groups. Each group has a total of ten meetings at which a certain facet of the Communist system is discussed thoroughly.

These two history classes are now doing what every literate person in the free world should be doing; that is, they are studying the American Communist Party's plan to undermine and bring about the downfall of the United States Government with or without force.

SENIORS JOIN ALUMNI NOW

All the seniors at Chaminade will be inducted into the alumni Thursday night, April 21, in the school gym.

At this affair many will be presented certificates by Mr. John A. Schreiber, president of the alumni, making them accepted members of this busy Chaminade organization. Also at this meeting Chaminade's jubilarian, Bro. Julius Kreshel, celebrating his diamond jubilee, will be honored. This combined meeting will also be devoted to the preparations for the Alumni Home Show. Proceeds from the home show will be used to sponsor the Alumni Scholarship.

Refreshments and some form of entertainment will be part of this meeting. This meeting will be prepared so that all who attend will have a most enjoyable time.

MARDI GRAS DANCE

On February 21, the Mardi Gras Dance, an innovation, was presented by the Junior Class. Music was provided by the Blue Notes, a terrifically versatile band.

Although the attendance at this dance left much to be desired, it was, judging by the reaction of those who did attend, a huge success. Prizes are due to Brother Richard Moerchen, the moderator of the dance committee, and to Paul Gunther, whose mural was the highlight of the excellent decorations.

Dennis Matuezzi awarded John Phillip Sousa trophy by Father Blume as Mr Scheibal looks on

Students Slated For Mark Twain Institute

In this day of increased stress on education and learning due to the increasing difficulty of entering college and the precarious international situation, more and more opportunities are being opened to us for the development of our intellectual capabilities.

One such opportunity is the Mark Twain Summer Institute, inaugurated here in St. Louis last year. Courses in many advanced subjects are offered as a supplement to high school work for the intellectually capable student, at Washington University and Clayton High School. Subjects in Advanced Math, Science and Language are available.

Juniors J. Wick and D. Ohlms discuss Samurai sword with Brother John.

RING DANCE APRIL 22

JAPANESE VISITOR

An inconspicuous but notable figure on our campus last month was Bro. John Maeda, S.M., a visitor here from Japan. Brother John has been residing at Marycliffe, where he is studying English. He graciously consented to appear before the student body and speak about his native country.

As a background for his talk, the "Little Theatre" was amply stocked with many different Japanese articles such as maps, posters, war swords, and various Oriental garments. Slides showing many of the Catholic influences in Japan were also shown.

Brother John's dissertation began with a short lesson in Japanese spelling. He then progressed onto a short sketch of the Church in Japan, dating from the 16th century, when St. Francis Xavier extended his missionary work to Japan, till the present day.

In the past few decades no Oriental country has become so westernized as Japan. Not the least of these Occidental influences is the Catholic Church. If we wish the Church to flourish, we must send more priests and brothers. As Brother John Maeda tells us, "I will be waiting, praying for you to come and help my people."

NEWS-IN-BRIEF

A note of praise must be given to Joseph Wick and Thomas Klingert, who have successfully passed the entrance exam to the Mark Twain Institute. The institution was established for the purpose of taking advanced courses during the summer months.

• • •

Attention! Construction of the new school chapel is under way, with completion scheduled for next fall.

• • •

Mrs. Fred C. Schlafly, a representative of the Cardinal Mindszenty Foundation, recently spoke on Communism to the sophomores and juniors. The Cardinal Mindszenty Foundation was started in order that more people can become familiar with the Communist's techniques. The talk by Mrs. Schlafly proved to be very enlightening for all those who were present.

MRS. SCHLAFLY

A complement to Mrs. Schlafly's informative talk is the fact that Bro. Herman Drees, our librarian, has many paper bound books and pamphlets on the subject of Communism.

• • •

The Clean-Up Campaign, headed by Bill Wefel, representative from Soph. "A," turned out very successful. It is hoped that all the students will keep up the good work.

• • •

(Continued on Page 8)

CHAMINADE GRADE SCHOOL MERITS ALL SCHOLARSHIPS

Seated: Jones, Archias, Vatterott Standing: Father Blume, Green, Zell, Bro. Ernst.

For the first time in Chaminade's history, all five of the annual scholarships donated by the Fathers' Club were earned by Chaminade grade school students.

These scholarships were awarded on the basis of superior scores acquired on the competitive entrance examination of January 30. Father Louis J. Blume, president of Chaminade, presented scholarships to the following boys: Leon

Archias, a resident student from Sedalia, Missouri, full; Daniel Greene, also a resident student, partial; James Zell, partial; Douglas Jones, partial; and Paul Vatterott, partial.

A part-time scholarship provides the student with \$100 for each of four years towards the payment of the ordinary tuition fee.

The Cardinal and White would like to congratulate these boys on their fine achievement.

Frank Krewet Wins Science Award

Throughout the United States, educators recognize the annual Bausch & Lomb Honorary Science Award as evidence of superior scientific aptitude.

KREWET

In announcing Frank Krewet as the 1960 winner, Principal Brother Robert Ernst of Chaminade High School, said: "These awards are especially significant. Today, everyone realizes the importance of the study of science in our secondary schools. The Bausch &

Lomb Honorary Science Award provides appropriate recognition to senior students with the highest scholastic standing in science subjects."

The Science Award, a handsome bronze medal—is presented at graduation in almost 7,000 schools. Since its introduction in 1933, there have been 132,000 winners. Surveys have revealed that more than 30% of the winners have been encouraged by the award to follow scientific careers.

Winners of the Honorary Science Award are eligible to compete for science scholarships sponsored by Bausch & Lomb Optical Co., at the University of Rochester.

FLYERS END 59-60 SEASON

"Think it's good, Pete?" Korak drives in for two more against Coyle.

The Flyers finished out the '59-'60 basketball season with an apparently unimpressive 12-16 record. This record does not give a full picture of a team that fought hard all season long—a team that even in losing playing a crowd-pleasing brand of ball.

At the start of the season this team was faced with the most rugged schedule ever encountered

KORKY LETS FLY

by a Chaminade team, and to this was added the pressure of playing in the wake of last year's great team which had compiled a fantastic 23-7 record.

Chaminade opened the season November 24, in the Borgia Tournament. The Flyers looked good in winning their first two games from Festus and Owensville. But then disaster struck as they went into a six-game losing streak.

Chaminade played inconsistently

through the season, winning one day and losing the next. They were never able to put together any sort of sustained winning streak until the tail end of the season, when they came on strong by winning six out of the last nine games.

VAN UUM

late season victory over Marquette, avenging an earlier loss, finished second in the Catholic League. The Flyers also added another trophy to Chaminade's collection by taking third place in the St. Louis Tourney.

The team was not without its individual honors, as Bobby Van Uum broke all existing school records for single game high by setting the record at 33, and then breaking his own record with 28 points. He scored 475 points during the season, easily topping the 372 points scored by Bob Bitter in the previous season. Bob was selected for All Catholic League, second team honors in the Maplewood Tourney, and received honorable mention in the district selections. Don Carmody was also chosen for the second team in the Maplewood Tourney.

B, C, AND PREPS HAVE SUCCESSFUL RECORDS

Losing 8 games out of the 20 played, the B-team racked up another winning season. The highlights of the season were decisive victories over Laboure, Duchesne, Coyle, and De Sales, as well as the thrilling last-minute victory against Assumption. Some of the losses were against CBC, McBride and the two league games, Marquette and Cathedral.

If youth is the hope of the future, then Chaminade's future is radiant. And this brightness centers in the B-team's coach, Bro. John Haug.

C-TEAM

The C-team skillfully ended its 1959-60 basketball season by winning the last 8 out of 9 games. The freshmen terminated the year with 15 wins and 6 losses. St. Louis U. High, McBride, Blessed Sacrament, and CBC were considered some of the toughest opponents.

The Jr.-Jr. Flyers, coached by Brother Cyril Boschert, had the best record of the school this year. The high point man on the team was John Foley with 276.

PREPS

During the last week of March the Preps were in the thick of St. Vincent's Tournament in the hope of retiring the traveling trophy, having two legs on it.

To date, the 8th graders have racked up 20 wins with 5 setbacks against the strongest teams in the city-county, ending up with a tie for third place in the All-CYC playoffs with Seven Holy Founders.

Easy Ed Czebrinski at center led the offense with 186 points, followed by Little Doe Dirnberger's 125, Scudder's 117 and Powee Stock's 101. On defense, Gruchala, M. Crowe, Shaner and Horn stood out.

The Preps to date have scored 823 points against their opponents' 525 for a 33 to 21 average.

'60 BASEBALL UNDER WAY

"Hey, Zurnie! Where's the ball?"

This year the baseball team has some hopeful prospects. The Flyers stand a good chance of bringing back the Catholic League title to Chaminade.

Almost all of last year's team is back for another season, and the incoming sophomores have had the benefits of one year of C-team baseball. Some of the returning lettermen are Charlie Nolan, behind the plate; Jim Brangle, Doug Villars, and Mike Shaughnessy make up the probable big three of the Flyers' pitching corps; Greg Helman, a hard-hitting first baseman; Don Carmody will be stationed at short, John Blow at third base, and Bob Mercer in the outfield. Bobby Durbin has returned this year to play second base, and Tom Hovland and Joe Priesmeyer bolster the rest of the infield.

Due to the unusually bad weather the Flyers have not had much opportunity to practice. The diamond was muddy and needed a lot of work before the first scheduled game on April 8.

Bro. Ray Davenport, S.M., will once again coach the Flyers, as in the past season.

ANYONE FOR GOLF?

For the first time at Chaminade a golf team is being started under the capable direction of Bro. John Haug, S.M. The response for the team is very encouraging, with more than twenty students hoping to participate.

The team will consist of twelve players; six of these players will be the starters, and the remaining will be substitutes. The players will face other schools in team competition and also participate in the Missouri State High School Tournament at St. Charles. This year's team is the beginning for future golf teams here at Chaminade. Providing all goes well, golf is here to stay.

**SUPPORT
THE FLYERS—
BASEBALL AND
TRACKMEN**

TRACK SEASON
IN FULL SWING

The cinder men are working again. During the bad weather the gym has provided an adequate substitution for the water-soaked track. There are many returning lettermen, which should provide a very strong team.

Returning this year are Bro. Cyril Boschert, S.M., as track coach, and Bro. David O'Hearn, S.M., as the new field coach. Both are able and competent in this sport.

The returning lettermen are Pete Kneese, Bill Cahill, Bob Van Uum, Chris Bina, Dennis Matteuzzi, Greg Faherty, Jim Korak, and Lew Brandt.

Both Bro. Cyril and Bro. David were surprised at the large turnout of approximately sixty students for the varsity team. This does not include the large number of expected freshmen track candidates. Bro. Boschert has this to say: " with the fine turn-

Snowbound Trackmen

out the Senior Division should be strong, and the Junior Division is very promising."

There will be many grueling meets this year, including Mercy S.L.U.H., Codasco, and other strong opponents. The Chaminade Invitational, in which many of the better teams in the St. Louis area will participate, will take place on April 20. The Catholic Olympics will be held for the first time on May 12, at Public Schools Stadium.

SNOW SLOWS SCHOOL

Record snows of almost 2 feet stopped school a total of four days. But not everyone was unhappy.

SINGERS

CLUB
SERVERS

(From left to right) Pete Knese crowning the queen, Miss Judy Gantner; Doug Villars with first maid of honor, Miss Sandy Freeman.

Pete and Judy make their entrance.

FOOTBALL DANCE

Royal court and students enjoying the dance.

SENIOR SNAPS

"Now, we all know there's no such thing as a bad boy, but . . ."

"Marteuzzi! Blow through the other end!"

"Now, Oscar, do you have a few dying words?"

Our heroes, Jerry Murphy and Pete Knese.

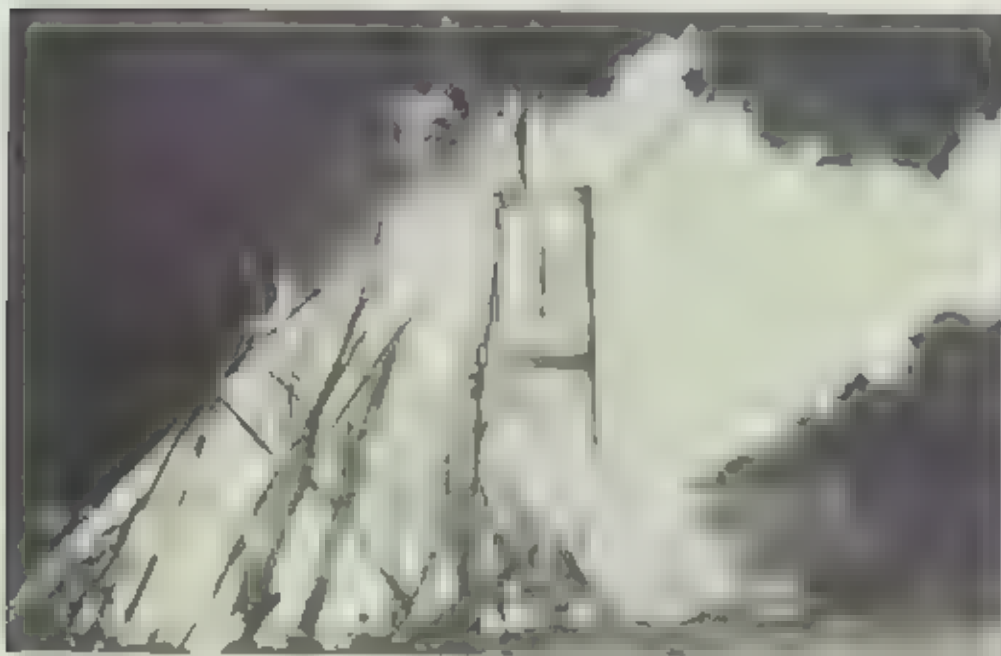

"Tomorrow and the day after tomorrow . . ."

Come on Charlie, smile!

"Yes, friends, our cough syrup gives you that good feeling."

Bonfire a roaring success.

Saenger tells a few hilarious jokes.

"Yes, next year I'll buy the pants."

Marquette closes in on Knese

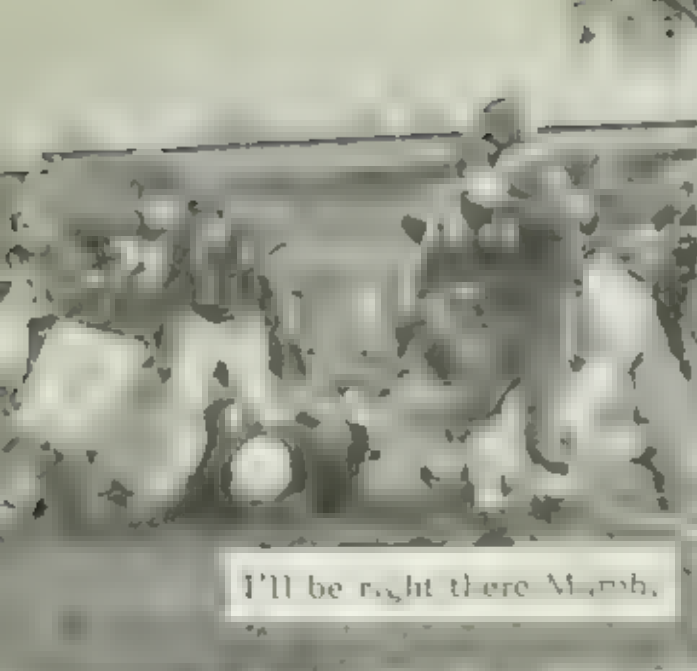

Meek before Our Lady; mighty on the field.

Bro. Ray Davenport, S.M., and Bro. Dave O'Heam, S.M., are happy with Flyers' 5 and 2 record.

SENIOR PLAYERS: KNEELING: J. O'Shea, D. McKeown, G. Lambert, J. Murphy, K. Kohn, R. Dorman.
STANDING: J. C. McGee, F. Kase, F. Lynch, J. Burke, J. Borzich, P. Pruess, J. Dempsey, K. Schaefer,
J. Blow, J. Orlando.

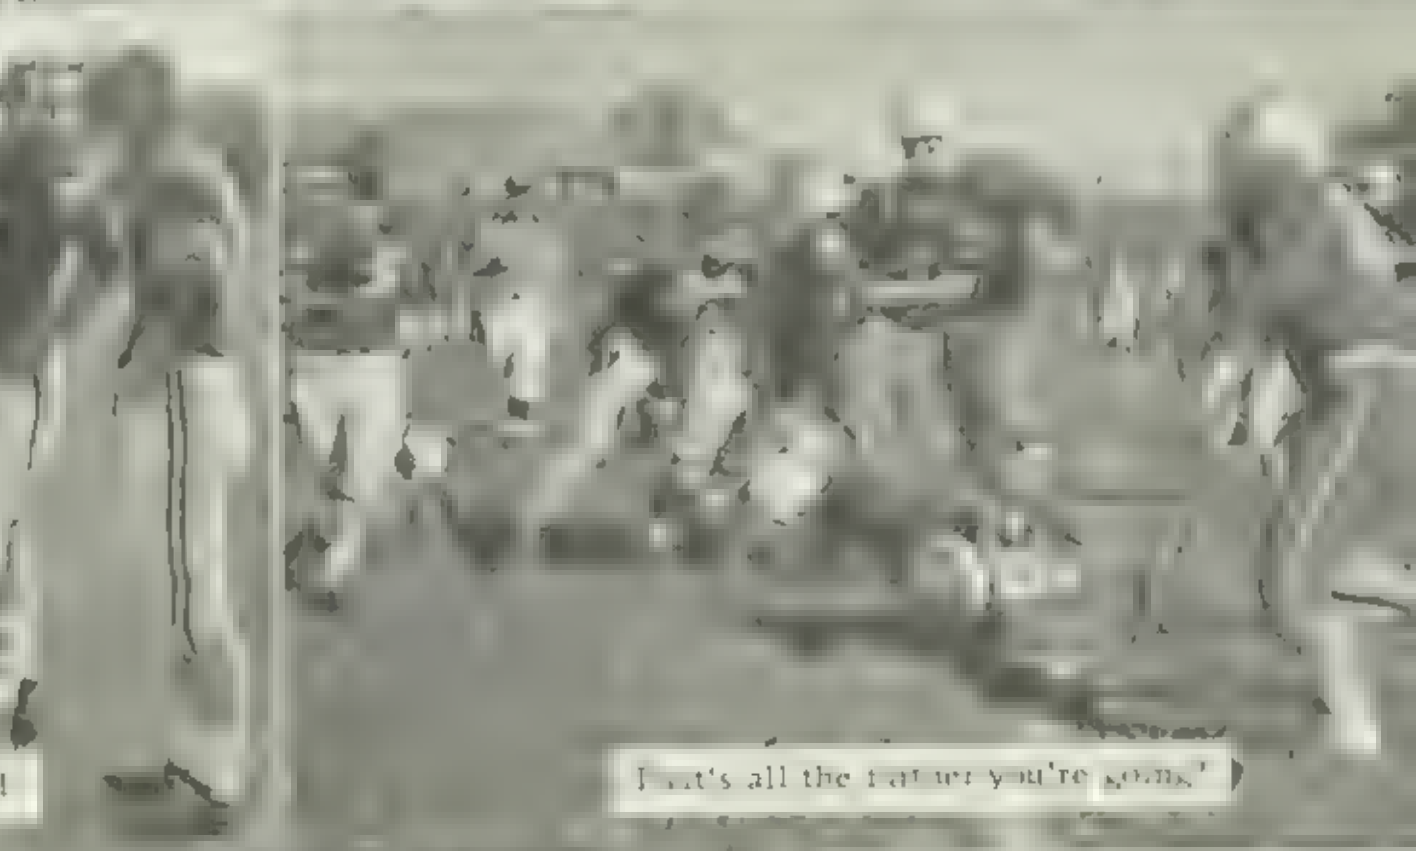

I'll be right there Marsh.

Fivers score again against Coyle.

Now, boys, that is a footbal

That's all the father you're going.

He doesn't have the ball, tell us

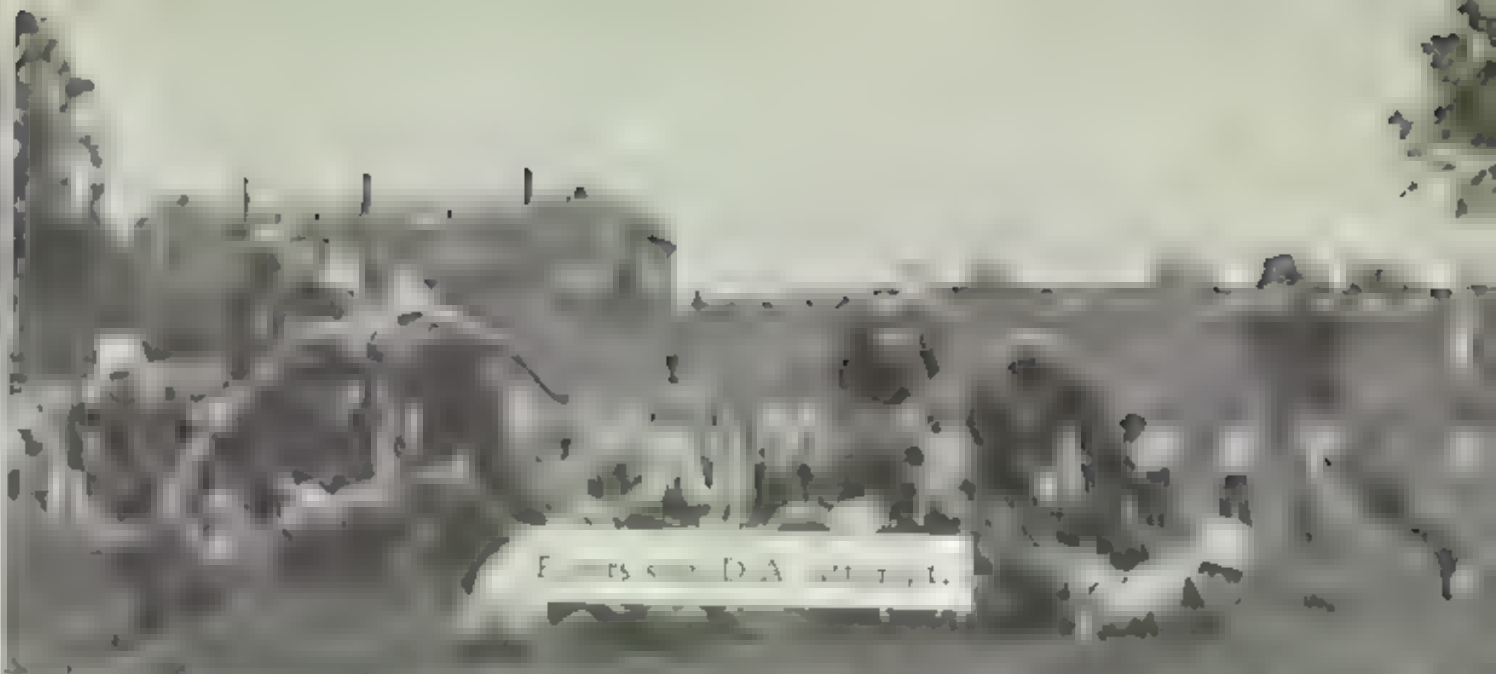

Nice catch, B-boy

I'll get this guy, Don, come on through.

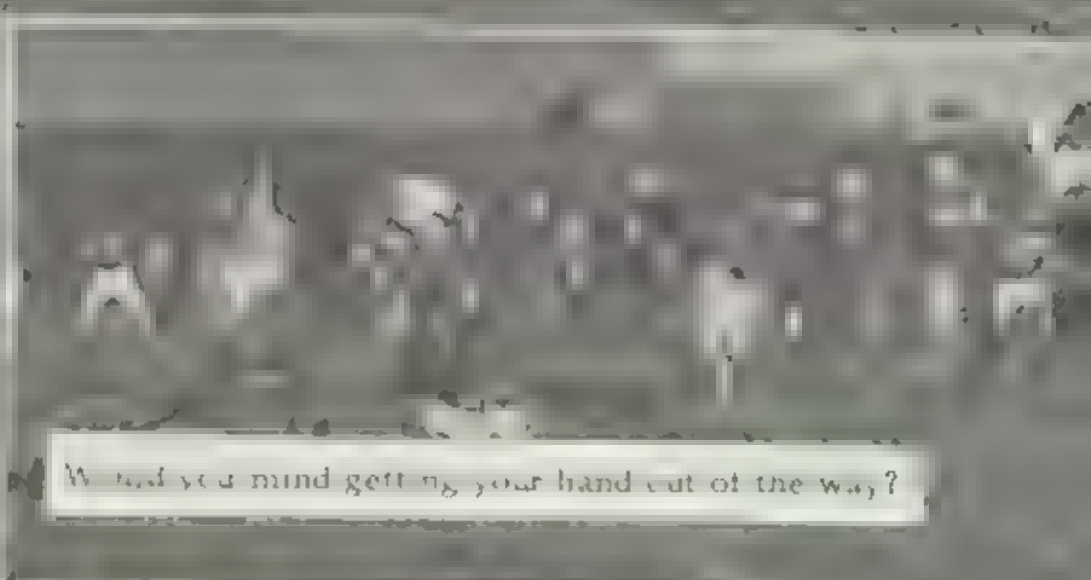

BEAUTIFUL STAGS & DEER

EVERYBODY DANCING!

BEAUTIFUL STAGS & DEER

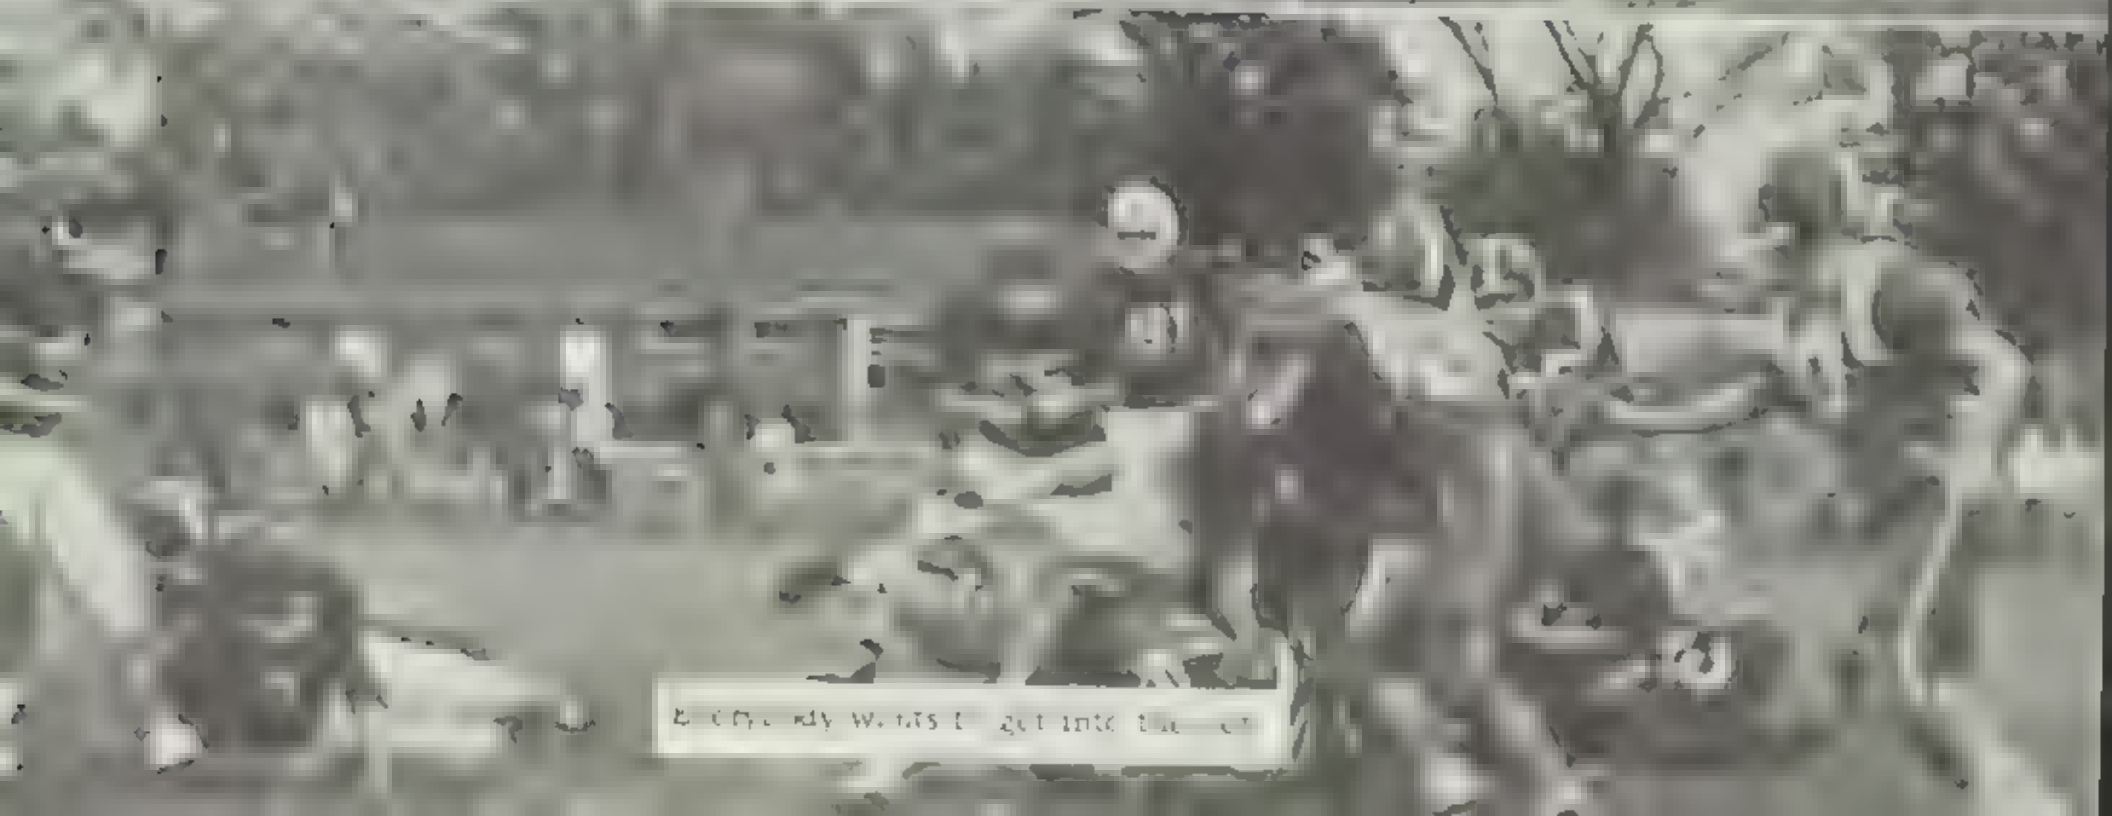

Would you mind getting your hand out of the way?

Oh my goodness, get out of my way

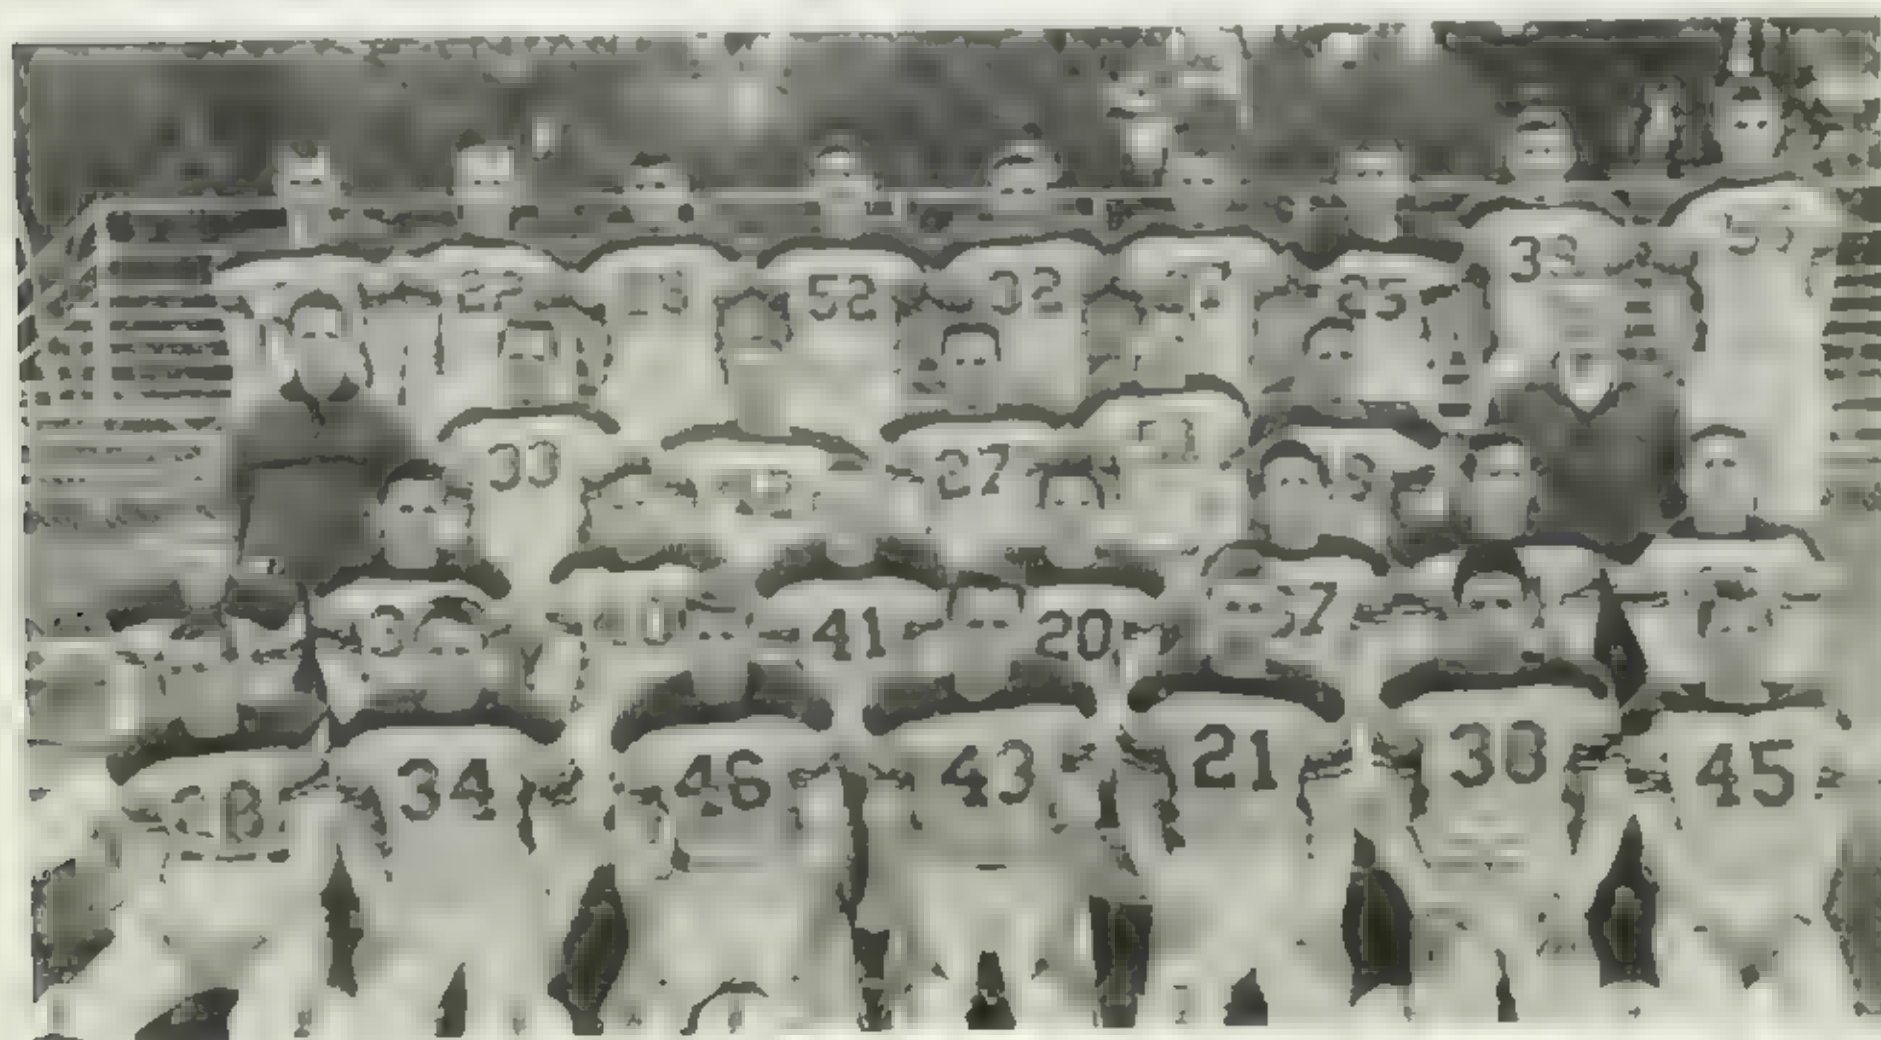

Pen dance divinity

Oh my goodness, get into the way

"B" TEAM: FIRST ROW G. Jennewein, R. Willet, G. Gearhart, C. Schwartz, L. Devries, L. Batterson. SECOND ROW J. Schmitt, E. Niehoff, J. Bick, D. Murphy, F. Hunter, J. Barret, T. Concannon.
